

COUNCIL – 24 JULY 2013

MEMBERS' QUESTION

Question 1

Councillor P Ruffles to ask the Executive Member for Community Safety and Environment:

Is Councillor Alexander able to provide an update on his progress towards the generation of hydro-power from the flow of the Lea at Hertford, to provide so many benefits, not least of which would be power charge costs for Hertford Theatre?

Question 2

Councillor E Buckmaster to ask the Executive Member for Health, Housing and Community Support:

Public health delivery is currently going through many changes, and is under great pressure to make improvements. Can the Executive Member for Health Housing and Community Support comment on the role of East Herts Council in the Public Health arena, and particular, the part that we as individual members can play in the process?
