1.2 A pay policy statement for a financial year must set out the Authority's policies for the financial year relating to:

- the remuneration of chief officers

- the remuneration of the lowest paid employees
- the relationship between chief officers remuneration and that of other officers

1.3 The statement must include the authority's policies relating to:

- a) the level and elements of remuneration for each chief officer
- b) remuneration of chief officers on recruitment
- c) increases and additions to remuneration for each chief officer
- d) the use of performance related pay for chief officers
- e) the use of bonuses for chief officers

- g) the publication of and access to information relating to remuneration of chief officers.

1.4 The term 'remuneration' covers:

1.5 A pay policy statement for a financial year may also set the Authority's policies for the financial year relating to the other terms and conditions applying to the authority's chief officers.

1.6 The Secretary of State published 'The Code of Recommended Practice for Local Authorities on Data Transparency' on 29 September 2011. The Code enshrines the principles of transparency and asks councils to follow three principles when

publishing data they hold; responding to public demand; releasing data in open formats available for re-use; and, releasing data in a timely way. This includes data on senior salaries and the structure of their workforce. The pay policy statement has been written using these principles.

1.7 The Department for Communities and Local Government published 'Openness and Accountability in Local pay: Guidance under Section 40 of the Localism Act 2011' in February 2013. The pay policy statement has been written taking into consideration this guidance.
