Financial:	There are no financial implications.
Human Resource:	There are no Human Resource implications.
Risk Management:	By not having effective performance management arrangements in place puts the Council at risk of not being clear whether it's priorities and objectives are being met and if there are any service delivery issues, that could impact on their delivery. The Corporate Healthcheck report is one tool designed to help mitigate against this risk. Also effective performance management arrangements help to support transparency and increase local accountability.
