	Restructuring the services delivered by Licensing, Community Safety and Environmental Health leading to a reduction in resources	BS	(106,000)	GREEN	The new restructured service can deliver this ongoing saving, but without reducing the demand, the service delivery will be below that required. Standards are currently being maintained, just, and with limited resilience, with the support of 1.4 FTE staff in the Business Support Team. These are currently 'additionally funded' for 12 months following a request for growth to CMT.	Brian Simmonds

	ICT - Shared Services Savings					Cliff Cardoza
	Estimated Shared services Savings	HL	(208,000)	AMBER	The ICT shared service is in the process of identifying full year service savings of approximately £407k, just below the target for the shared service as a whole of £420k. The timing of the savings has yet to be determined and agreed. These result from reductions in the revenue cost of the ICT Infrastructure and from staff savings arising from the management restructuring of the service completed last year and the staff restructuring which is now underway. There is potential for further savings in the East Herts managed budgets and the cost of implementing the shared service. The service management team are working closely with the Accountancy Teams in both Councils to determine and agree the savings.	Henry Lewis

Revenue Effects on Capital					
Bell Street Public Conveniences modernisation	CC	(5,600)	RED	This is a part-year effect. Project currently stalled due to staff shortages. Unlikely to achieve part year savings in 2014-15, but still expect to achieve full year savings in 2015-16, subject to agreement with Sawbridgeworth Town Council.	Cliff Cardoza
3G Artificial Turf Pitch development at Hartham Common (Management fee reduction)	CC	(17,000)	AMBER	Business Case agreed by CMT in Aptil 2014. This included a revised part year saving of £9,900 for 2014/15. Subsequent public consultation on the scheme resulted in the need for a redesign of proposals. Savings for the project overall still achieveable but the part year savings for 2014-15 will be reduced to £2,500.	Cliff Cardoza
