| (B) | the work programme as detailed, be approved. |

1.0 Background

1.1 Items previously required, identified or suggested for the Community Scrutiny work programme are set out in **Essential Reference Paper "B"**.

1.2 To support members in their reading of health and wellbeing related reports and in discussions with speakers from partner agencies the attached **Essential Reference Paper "C"** offers a quick checklist to the abbreviations and acronyms in common use. Updates and corrections made since the previous version of this publication are shown in italics.

2.0 Evaluation

- 2.1 During last year's scrutiny evaluation process, Members identified a number of areas of practice where they wanted to improve and these were included in the 2015/16 Action Plan. This document is included here as **Essential Reference Paper "D"**.
- 2.2 Reflecting back on the past year, Members are asked to:
- comment on progress against these actions
 - describe specific examples of successful practice from the work of this scrutiny committee
 - identify any challenges or barriers which they have met during this time.
- 2.3 Members are asked to recommend which (if any) of the actions should be carried forward to the 2016/17 Scrutiny Action Plan and what ideas they have to do scrutiny differently so it has more impact within the council and community.
- 2.4 As part of the wider evaluation discussion, Members are asked to identify what they are most pleased to have achieved through scrutiny during the past year and what has been the most interesting or useful thing they have learned during the year.
- 2.5 Evaluation feedback from all the scrutiny committees will be collated and used to frame the draft 2015/16 Overview and Scrutiny annual report. This draft will be reviewed and approved by the scrutiny chairmen and presented to Council on 27 July 2016.
- 2.6 Any suggestions on how the function of scrutiny might be changed or improved will be considered by the new (2016/17) scrutiny chairmen and officers at their first meeting of the new civic year.
- 3.0 Work Programme Planning
- 3.1 A draft work programme for 2016/17 meetings of Health and Wellbeing Scrutiny Committee is shown in **Essential Reference Paper "B"**. At the 8 December 2015 meeting, Members prioritised agenda items and the programme reflects these decisions. The timing of some items shown may have to change if they are dependent on publication of guidance or data from an external source (eg from central government).
- 3.2 A new request was put forward to Health and Wellbeing Scrutiny for a report later in the year on the council's mental health activities. There was also agreement to receive an update from

Herts County Council on Child Adolescent Mental Health Services.

- 3.3 Members are asked whether there is any additional topic they wish to put forward for consideration by scrutiny in 2016/17 (subject to confirmation by new committee at their first meeting on 14 June 2016). For example, Members may wish to invite the chairman of the East and North Herts Clinical Commissioning Group and Locality Group Leads to discuss the NHS's progress on its strategic shift to prevention.
- 3.4 Members are asked whether they wish to extend an invitation to one or more of the Executive/portfolio holders to attend a particular meeting or for a specific agenda item listed in the draft work programme.
- 3.5 In suggesting topics, Members should have in mind the council's draft vision and corporate priorities 2016/17 – 2019/20 (shown below and subject to confirmation and ratification) and be able to identify what tangible outcome(s) and benefits they would want to achieve. Members are cautioned to avoid topics where the council does not have any influence.
