-----	--

1.0 Background

1.1 Members of the Development Management Committee requested a report on the up to date situation on current Enforcement cases that are currently still active. A report was provided to the December meeting of the committee that set out details of cases that were opened pre 2015. This report now provides details of cases which are still active but were opened pre 2016, so a year or more old. There are 35 cases.

2.0 Report

2.1 Attached, at **Essential Reference Paper 'B'**, is a breakdown of all cases that are still active that were opened pre January 2016. There are various reasons for the outstanding matters and these are summarised in the table. If any Member wishes to have more detailed information on any case they are asked to contact Officers either before or after the meeting.

### 3.0 Implications/Consultations

3.1 Information on any corporate issues and consultation associated with this report can be found within **Essential Reference Paper 'A'**.
