

ESSENTIAL REFERENCE PAPER 'A'

IMPLICATIONS/CONSULTATIONS

Contribution to the Council's Corporate Priorities/ Objectives <i>(delete as appropriate)</i> :	<p>1. Improve the health and wellbeing of our communities</p> <p>2. Enhance the quality of people lives</p> <p>Helping to encourage the safe and responsible use of alcohol is likely to have a positive impact on health and wellbeing and thus further these two corporate priorities</p>
Consultation:	The contents of this report have been informed by the presentation given by Hertfordshire County Council's Public Health team to the Licensing Committee on 14 th March 2018
Legal:	The report refers to a proposed addendum to the council's Statement of Licensing Policy. This forms part of the council's Policy Framework, thus, any substantive revisions will need to be approved by Council
Financial:	None – the activities and projects referred to in this report could be carried out within existing budgets
Human Resource:	None arising from this report
Risk Management:	The council and Public Health colleagues work closely to oversee key health and wellbeing issues in the district and manage risks by determining joint priorities, making joint bids for funding and the like
Health and wellbeing – issues and impacts:	Helping to encourage the safe and responsible use of alcohol is likely to have a positive impact on levels of health and wellbeing and thus further these two corporate priorities
Equality Impact Assessment	Neither the report itself nor actions arising from acceptance of the recommendations would trigger the

required:	need for an equality impact assessment. In due course, the Position Statement referred to in the report would require an Assessment. This will be carried out as part of the formal consultation on the Position Statement which has yet to commence
