**Subject:** Premises licence application for open air cinema in Sworders Field Bishops Stortford

**Categories:**

Hello, I am writing to make and explain my objection to this licence application.

My name is \_\_\_\_\_ and I live at King's Court \_\_\_\_\_ which is about 100 metres from Sworders Field.

I know that you are looking at the merits of this and not the general use of the field / park but my homelife here has been ruined by the field being turned from a quiet park in to a concert and events venue.

This year we have already had various faiground visits ( very loud boom boom amplified music and man shouting through amplified tannoy)

Bish Bash ( as above)

Food and drink festival ( same)

Bishop Stortford town festival ( same)

Sunday morning mass excersis classes ( woman shouts through loud tannoy from 9AM)

I know the town council are raising revenue and thats what it is all about but it's a park not Wembley Stadium. Basically every few weekends and some weekdays, I have to shut all my windows in warm weather or leave the house.

An open air cinema less than 200 yards from homes including elderly peoples sheltered accomodation and the associated noise of people comind and going and using the cinema just seems totally unfair and I cant beleive this is considered an aproprate location for yet more ' licensed activities'.

The last event with sounds at the venue I could hear clearly in every room of my house even with the windows closed and had to leave and go elsewhere , how is this fair ?. Of course I expect people walking their dogs playing football on Sunday nmornings etc , its a park and its actually quite nice and natural but all these music and tannoy events are totally ruining my use of my home. Please dont grant this licence.

Regards
