## **Outline Audit Plan**

Year ended 31 March 2020

4 March 2020

Performance, Audit and Governance Oversight Committee  
East Hertfordshire District Council  
Wallfields, Pegs Lane  
Hertford, SG13 8EQ

4 March 2020

Dear Performance, Audit and Governance Oversight Committee Members

### **Outline Audit Plan - 2019/20**

We are pleased to attach our Outline Audit Plan which sets out how we intend to carry out our responsibilities as auditor. Its purpose is to provide the Performance, Audit and Governance Oversight Committee with a basis to review our proposed audit approach and scope for the 2019/20 audit in accordance with the requirements of the Local Audit and Accountability Act 2014, the National Audit Office's 2015 Code of Audit Practice, the Statement of Responsibilities issued by Public Sector Audit Appointments (PSAA) Ltd, auditing standards and other professional requirements. It is also to ensure that our audit is aligned with the Committee's service expectations.

This Outline Audit Plan summarises our initial assessment of the key risks driving the development of an effective audit for the Council and outlines our planned audit strategy in response to those risks. Our planning procedures remain ongoing; we will inform the Performance, Audit and Governance Oversight Committee if there any significant changes or revisions once we have completed these procedures and will provide an update to the next meeting of the committee.

This report is intended solely for the information and use of the Performance, Audit and Governance Oversight Committee and management, and is not intended to be and should not be used by anyone other than these specified parties.

We welcome the opportunity to discuss this report with you on 17 March 2020 as well as understand whether there are other matters which you consider may influence.

Yours faithfully

Suresh Patel  
Associate Partner  
For and on behalf of Ernst & Young LLP

# Contents

Public Sector Audit Appointments Ltd (PSAA) issued the "Statement of responsibilities of auditors and audited bodies". It is available from the via the PSAA website (<https://www.psa.co.uk/audit-quality/statement-of-responsibilities/>). The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The "Terms of Appointment and further guidance (updated April 2018)" issued by the PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation, and covers matters of practice and procedure which are of a recurring nature.

This report is made solely to the Performance, Audit and Governance Oversight Committee and management of East Hertfordshire District Council in accordance with the statement of responsibilities. Our work has been undertaken so that we might state to the Performance, Audit and Governance Oversight Committee, and management of East Hertfordshire District Council those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the Performance, Audit and Governance Oversight Committee, and management of East Hertfordshire District Council for this report or for the opinions we have formed. It should not be provided to any third-party without our prior written consent.

# Overview of our 2019/20 audit strategy

## Overview of our 2019/20 audit strategy

The following 'dashboard' summarises the significant accounting and auditing matters outlined in this report. It seeks to provide the Performance, Audit and Governance Oversight Committee with an overview of our initial risk identification for the upcoming audit and any changes in risks identified in the current year.

### Audit risks and areas of focus

Risk / area of focus	Risk Identified	Change from PY	Details
Misstatements due to fraud or error	Significant Risk/Fraud	No change in risk or focus	As identified in ISA 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that would otherwise appear to be operating effectively.
Misstatements due to fraud or error - the incorrect capitalisation of revenue expenditure	Significant Risk/Fraud	No change in risk or focus	<p>The Council is under pressure to achieve its budget and maintain reserve balances above the minimum approved levels. One area management may override controls to help meet these challenges is how and what it accounts for expenditure.</p> <p>We consider this risk applies to capitalisation of revenue expenditure. Management may understate revenue expenditure by incorrectly capitalising expenditure which is revenue in nature and should be charged to the comprehensive income and expenditure account.</p>
Property, Plant and Equipment Valuations	Inherent risk	No change in risk or focus	<p>Property, plant and equipment (PPE) represents a significant balance in the Council's accounts and is subject to valuation changes, impairment reviews and depreciation charges.</p> <p>Material judgemental inputs and estimation techniques are required to calculate the year-end PPE balances held in the balance sheet.</p> <p>As the Council's asset base is significant, and the outputs from the internal valuer are subject to estimation, there is a higher inherent risk PPE may be under/overstated or the associated accounting entries incorrectly posted.</p> <p>ISAs (UK and Ireland) 500 and 540 require us to undertake procedures on the use of experts and assumptions underlying fair value estimates.</p>

## Overview of our 2019/20 audit strategy

Risk / area of focus	Risk identified	Change from PY	Details
Business Rates Appeals Provision	Inherent risk	No change in risk or focus	<p>The business rates appeals provision includes, not only claims up to 31 March 2020, but claims that relate to earlier periods and is subject to estimation.</p> <p>As appeals are made to the Valuation Office, the Council may not be aware of the level of claims lodged. The Council may also find it difficult to obtain sufficient information to establish a reliable estimate.</p> <p>Due to the level of estimation, size of the balance and the complexity of this provision we consider this to be a higher inherent risk.</p>
Pension Valuation and Disclosures	Inherent risk	No change in risk or focus	<p>The Local Authority Accounting Code of Practice and IAS19 require the Council to make extensive disclosures within its financial statements regarding the Local Government Pension Scheme (LGPS) in which it is an admitted body.</p> <p>The Council's current pension fund deficit is a material and sensitive item and the Code requires that this liability be disclosed on the Council's balance sheet.</p> <p>The information disclosed is based on the IAS 19 report issued to the Council by the Actuary. Accounting for this scheme involves significant estimation and judgement and due to the nature, volume and size of the transactions we consider this to be a higher inherent risk.</p>
Group Accounting	Inherent risk	New area of focus	<p>The Council will be preparing group accounts for the first time in 2019/20 due to the consolidation of the Millstream Property Investments Limited financial statements with the single entity Council financial statements. We identify this as an inherent risk as the Council has not prepared group accounts in the past and this can be a complex area of accounting.</p>

In addition to the risks outlined above we have identified an area of audit focus.

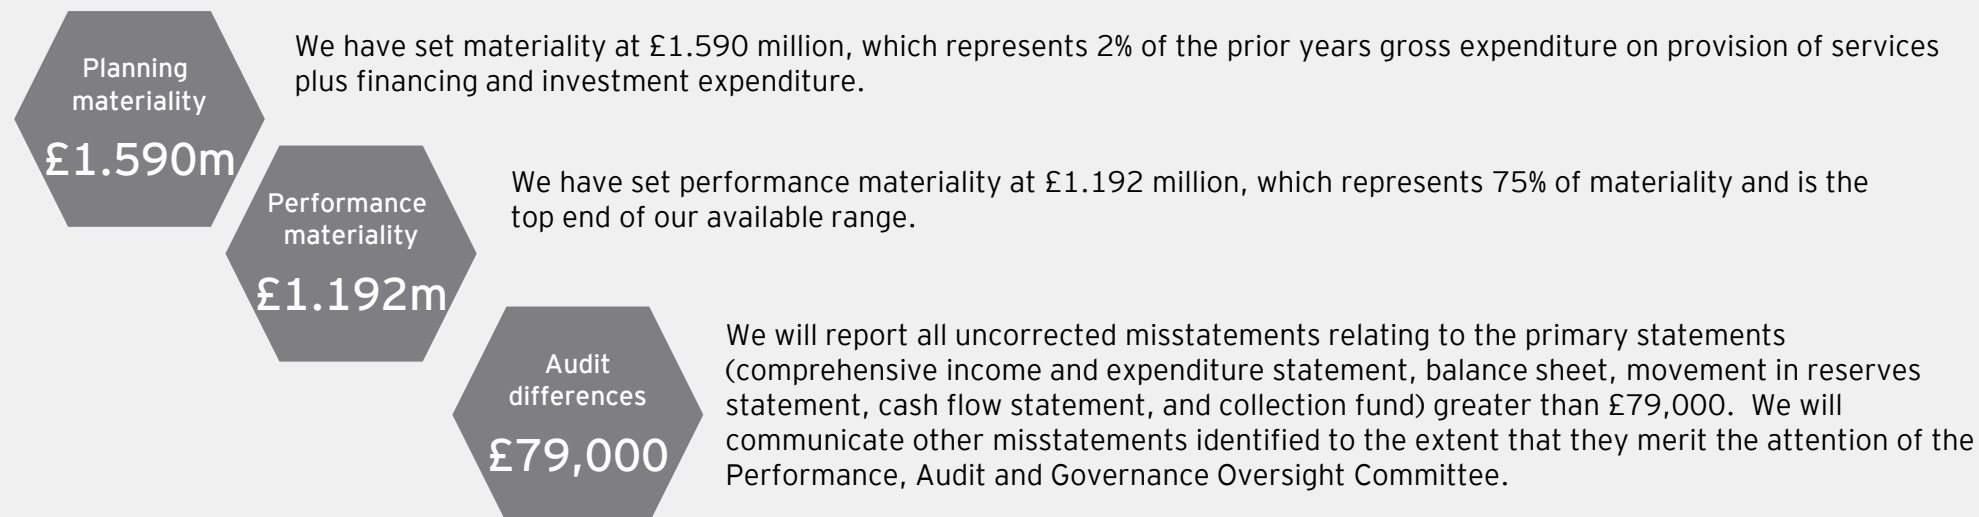

Area of focus	Change from PY	Details
Implementation of new auditing and accounting standards	New area of focus	<p><b>IFRS 16 Leases:</b> Implementation of IFRS 16 will be included in the Code of Practice on Local Authority Accounting in the United Kingdom (the Code) for 2020/21. This Code has yet to be published, but in October 2019 CIPFA/LASAAC issued 'IFRS 16 leases and early guide for practitioners'. It is likely there will be some disclosure requirements for the 2019/20 statement of accounts.</p> <p><b>Going Concern Compliance with ISA 570:</b> This auditing standard has been revised in response to enforcement cases and well-publicised corporate failures where the auditor's report failed to highlight concerns about the prospects of entities which collapsed shortly after. The revised standard is effective for audits of financial statements for periods commencing on or after 15 December 2019, which for the Council will be the audit of the 2020/21 financial statements.</p>

# Overview of our 2019/20 audit strategy

## Value for money conclusion

We have identified a significant value for money conclusion risk in relation to the Council's capital programme. We include in section 3 further details of this risk and an outline of the planned procedure we will perform to enable us to form a value for money conclusion.

## Materiality

We also identify areas where misstatement at a lower level than our overall materiality level might influence the reader and develop an audit strategy specific to these areas, including:

- ▶ Remuneration disclosures including councillor allowances: we will agree all disclosures back to source data, and councillor allowances to the agreed and approved amounts.
- ▶ Related party transactions we will test the completeness of related party disclosures and the accuracy of all disclosures by checking back to supporting evidence.

# Overview of our 2019/20 audit strategy

## Audit scope

This Audit Plan covers the work that we plan to perform to provide you with:

- Our audit opinion on whether the financial statements of East Hertfordshire District Council give a true and fair view of the financial position as at 31 March 2020 and of the income and expenditure for the year then ended; and
- Our conclusion on the Council's arrangements to secure economy, efficiency and effectiveness (Value for Money).

We will also review and report to the National Audit Office (NAO), to the extent and in the form required by them, on the Council's Whole of Government Accounts return.

Our audit will also include the mandatory procedures that we are required to perform in accordance with applicable laws and auditing standards.

When planning the audit we take into account several key inputs:

- Strategic, operational and financial risks relevant to the financial statements;
- Developments in financial reporting and auditing standards;
- The quality of systems and processes;
- Changes in the business and regulatory environment; and,
- Management's views on all of the above.

By considering these inputs, our audit is focused on the areas that matter and our feedback is more likely to be relevant to the Council.

Taking the above into account, and as articulated in this audit plan, our professional responsibilities require us to independently assess the risks associated with providing an audit opinion and undertake appropriate procedures in response to that. Our Terms of Appointment with PSAA allow them to vary the fee dependent on "the auditors assessment of risk and the work needed to meet their professional responsibilities". PSAA are aware that the setting of scale fees has not kept pace with the changing requirements of external audit with increased focus on, for example, the valuations of land and buildings, the auditing of groups, the valuation of pension obligations, the introduction of new accounting standards such as IFRS 9, 15 and 16 in recent years as well as the expansion of factors impacting the value for money conclusion. Therefore to the extent any of these or any other risks are relevant in the context of East Hertfordshire District Council's audit, we will shortly discuss these with management as to the impact on the scale fee. In addition, in Section 8 we have included an indicative range for the additional work we will be conducting in response to the significant risks we have identified and included in this Plan. We will confirm these fees with management as the audit progresses.

02

## Audit risks

## Audit risks

### Our response to significant risks

We have set out the significant risks (including fraud risks denoted by\*) identified for the current year audit along with the rationale and expected audit approach. The risks identified below may change to reflect any significant findings or subsequent issues we identify during the audit.

#### Misstatements due to fraud or error \*

##### What is the risk?

The financial statements as a whole are not free of material misstatements whether caused by fraud or error.

As identified in ISA (UK) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.

As part of our work to identify fraud risks during the planning stages, we have identified those areas of the accounts that involve management estimates and judgements as the key areas at risk of manipulation.

These are set out on the following page.

##### What will we do?

- ▶ Identifying fraud risks during the planning stages.
- ▶ Inquiry of management about risks of fraud and the controls put in place to address those risks.
- ▶ Understanding the oversight given by those charged with governance of management's processes over fraud.
- ▶ Consideration of the effectiveness of management's controls designed to address the risk of fraud.
- ▶ Determining an appropriate strategy to address those identified risks of fraud.
- ▶ Performing mandatory procedures regardless of specifically identified fraud risks, including testing of journal entries and other adjustments in the preparation of the financial statements.

To address the residual risk of management override we perform specific procedures which include:

- ▶ Testing the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements, for example using our journal tool to focus our testing on specific journals such as those created at unusual times or by staff members not usually involved in journal processing;
- ▶ Assessing key accounting estimates for evidence of management bias; and
- ▶ Evaluating the business rationale for significant unusual transactions

## Audit risks

### Our response to significant risks (continued)

**Misstatements due to fraud or error - the incorrect capitalisation of revenue expenditure\***

#### Financial statement impact

We have identified a risk of expenditure misstatements due to fraud or error that could affect the income and expenditure accounts.

We consider the risk applies to capitalisation of revenue expenditure and could result in a misstatement of cost of services reported in the comprehensive income and expenditure statement.

#### What is the risk?

The Council is under financial pressure to achieve budget and maintain reserve balances above the minimum approved levels. Manipulating expenditure is a key way to achieve these targets.

We consider the risk applies to capitalisation of revenue expenditure. Management could manipulate revenue expenditure by incorrectly capitalising expenditure which is revenue in nature and should be charge to the comprehensive income and expenditure account.

In 2018/19 the Council incurred £6.2 million capital expenditure and plans to incur £13.4 million in 2019/20.

#### What will we do?

##### Our approach will focus on:

- Sample testing additions to property, plant and equipment to ensure that they have been correctly classified as capital and included at the correct value in order to identify any revenue items that have been inappropriately capitalised; and
- Using our data analytics tool to identify and test journal entries that move expenditure into capital codes.

## Audit risks

### Other areas of audit focus

We have identified other areas of the audit, that have not been classified as significant risks, but are still important when considering the risks of material misstatement to the financial statements and disclosures.

What is the risk/area of focus?	What will we do?
<p><b>Valuation of Land and Buildings and Investment Properties</b></p> <p>The fair value of Property, Plant and Equipment (PPE) and Investment Properties (IP) represent significant balances in the Council's accounts and are subject to valuation changes, impairment reviews and depreciation charges.</p> <p>Management is required to make material judgemental inputs and apply estimation techniques to calculate the year-end balances recorded in the balance sheet.</p>	<p>We will:</p> <ul style="list-style-type: none"><li>▶ Consider the work performed by the Council's internal valuer, including the adequacy of the scope of the work performed, their professional capabilities and the results of their work;</li><li>▶ Sample test key asset information used by the internal valuer in performing their valuation (e.g. floor plans to support valuations based on price per square metre);</li><li>▶ Consider the annual cycle of valuations to ensure that assets have been valued within a 5 year rolling programme as required by the Code for PPE and annually for IP. We have also considered if there are any specific changes to assets that have occurred and that these have been communicated to the valuer;</li><li>▶ Review assets not subject to valuation in 2019/20 to confirm that the remaining asset base is not materially misstated;</li><li>▶ Consider changes to useful economic lives as a result of the most recent valuation; and</li><li>▶ Test accounting entries have been correctly processed in the financial statements.</li></ul>
What is the risk/area of focus?	What will we do?
<p><b>Business Rates Appeals Provision</b></p> <p>The business rates appeals provision includes, not only claims up to 31 March 2020, but claims that relate to earlier periods and is subject to estimation.</p> <p>As appeals are made to the Valuation Office, the Council may not be aware of the level of claims lodged. The Council may also find it difficult to obtain sufficient information to establish a reliable estimate.</p> <p>Due to the level of estimation, size of the balance and the complexity of this provision we have included it as an area of risk for this year.</p>	<p>We will:</p> <ul style="list-style-type: none"><li>▶ Reviewing the Council's methodology underpinning the provision for business rate appeals to ensure it has been calculated on a reasonable basis in line with IAS 37;</li><li>▶ Ensuring the provision is supported by appropriate evidence and that the level of estimation uncertainty is adequately disclosed; and</li><li>▶ Reviewing the completeness of the provision.</li></ul>

## Other areas of audit focus (continued)

### What is the risk/area of focus?

#### **Pension Liability Valuation & Pensions Assets**

The Council makes extensive disclosures within its financial statements regarding its membership of the Local Government Pension Scheme administered by Hertfordshire County Council.

The Council's pension fund deficit is a material estimated balance and the Code requires that this liability be disclosed on the Council's balance sheet. At 31 March 2019 this totalled £34.568 million.

The information disclosed is based on the IAS 19 report issued to the Council by the actuary to the County Council.

Accounting for this scheme involves significant estimation and judgement and therefore management engages an actuary to undertake the calculations on their behalf.

We undertake procedures on the use of management experts and the assumptions underlying fair value estimates.

#### **Group Accounting**

In February 2018 the Council incorporated Millstream Property Investment Limited, a company, with the Council as the sole owner. Activity has increased in the company in 2019/20 to a level that the Council now considers to be material. This will require the Council to prepare group accounts.

We identify this as an inherent risk as the Council has not prepared group accounts in the past and this can be a complex area of accounting.

### What will we do?

We will:

- ▶ Liaise with the auditors of Hertfordshire Pension Fund, to obtain assurances over the information supplied to the actuary in relation to East Hertfordshire District Council;
- ▶ Assess the work of the Pension Fund actuary (Hymans Robertson) including the assumptions they have used, by relying on the work of PWC - Consulting Actuaries commissioned by the National Audit Office for all local government sector auditors, and by considering any relevant reviews by the EY actuarial team; and
- ▶ Review and test the accounting entries and disclosures made within the Council's financial statements in relation to IAS19 considering fund assets and the Council's liability.

We will:

- ▶ Review the group assessment prepared by the Council, ensuring that the accounting framework and accounting policies are aligned to the East Hertfordshire District Council group;
- ▶ Scope the audit requirements for Millstream Property Investment Limited based on their significance to the group accounts. Liaising with the external auditor of Millstream Property Investment Limited and potentially issuing group instructions that detail the required audit procedures they are to undertake order to provide us with assurance for the opinion we will issue on the group accounts;
- ▶ Ensure the appropriate consolidation procedures and the Code of Practice are applied when preparing the Council group accounts.

## Other areas of audit focus (continued)

### What is the risk/area of focus?

#### IFRS16 - leases

IFRS 16 Leases was issued by the IASB in 2016. Its main impact is to remove (for lessees) the traditional distinction between finance leases and operating leases. Finance leases have effectively been accounted for as acquisitions (with the asset on the balance sheet, together with a liability to pay for the asset acquired). In contrast, operating leases have been treated as “pay as you go” arrangements, with rentals expensed in the year they are paid. IFRS 16 requires all substantial leases to be accounted for using the acquisition approach, recognising the rights acquired to use an asset.

Implementation of IFRS 16 will be included in the Code of Practice on Local Authority Accounting in the United Kingdom (the Code) for 2020/21. This Code has yet to be published, but in October 2019 CIPFA/LASAAC issued ‘IFRS 16 leases and early guide for practitioners’.

This early guidance provides comprehensive coverage of the requirements of the forthcoming provisions, including:

- ▶ the identification of leases
- ▶ the recognition of right-of-use assets and liabilities and their subsequent measurement
- ▶ treatment of gains and losses
- ▶ derecognition and presentation and disclosure in the financial statements,
- ▶ the management of leases within the Prudential Framework.

The guidance also covers the transitional arrangements for moving to these new requirements, such as:

- ▶ the recognition of right-of-use assets and liabilities for leases previously accounted for as operating leases by lessees
- ▶ the mechanics of making the transition in the 2020/21 financial statements (including the application of transitional provisions and the preparation of relevant disclosure notes).

### What will we do?

IFRS 16 - leases introduces a number of significant changes which go beyond accounting technicalities. For example, the changes have the potential to impact on procurement processes as more information becomes available on the real cost of leases.

The key accounting impact is that assets and liabilities in relation to significant lease arrangements previously accounted for as operating leases will need to be recognised on the balance sheet.

Although the new standard will not be included in the CIPFA Code of Practice until 2020/21, work will be necessary to secure information required to enable authorities to fully assess their leasing position and ensure compliance with the standard from 1 April 2020 and some narrative disclosures are likely to be required for 2019/20.

In particular, full compliance with the revised standard for 2020/21 is likely to require a detailed review of existing lease and other contract documentation prior to 1 April 2020 in order to identify:

- ▶ all leases which need to be accounted for
- ▶ the costs and lease term which apply to the lease
- ▶ the value of the asset and liability to be recognised as at 1 April 2020 where a lease has previously been accounted for as an operating lease.

We will discuss progress made in preparing for the implementation of IFRS 16 - leases with the finance team over the course of our 2019/20 audit.

## Other areas of audit focus (continued)

### What is the risk/area of focus?

#### Going Concern Compliance with ISA 570

This auditing standard has been revised in response to enforcement cases and well-publicised corporate failures where the auditor's report failed to highlight concerns about the prospects of entities which collapsed shortly after.

The revised standard is effective for audits of financial statements for periods commencing on or after 15 December 2019, which for the Council will be the audit of the 2020/21 financial statements. The revised standard increases the work we are required to perform when assessing whether the Council is a going concern. It means UK auditors will follow significantly stronger requirements than those required by current international standards; and we have therefore judged it appropriate to bring this to the attention of the Audit Committee.

The CIPFA Guidance Notes for Practitioners 2019/20 accounts states 'The concept of a going concern assumes that an authority's functions and services will continue in operational existence for the foreseeable future. The provisions in the Code in respect of going concern reporting requirements reflect the economic and statutory environment in which local authorities operate. These provisions confirm that, as authorities cannot be created or dissolved without statutory prescription, they must prepare their financial statements on a going concern basis of accounting.'

'If an authority were in financial difficulty, the prospects are thus that alternative arrangements might be made by central government either for the continuation of the services it provides or for assistance with the recovery of a deficit over more than one financial year. As a result of this, it would not therefore be appropriate for local authority financial statements to be provided on anything other than a going concern basis.'

### What will we do?

The revised standard requires:

- ▶ auditor's challenge of management's identification of events or conditions impacting going concern, more specific requirements to test management's resulting assessment of going concern, an evaluation of the supporting evidence obtained which includes consideration of the risk of management bias;
- ▶ greater work for us to challenge management's assessment of going concern, thoroughly test the adequacy of the supporting evidence we obtained and evaluate the risk of management bias. Our challenge will be made based on our knowledge of the Authority obtained through our audit, which will include additional specific risk assessment considerations which go beyond the current requirements;
- ▶ improved transparency with a new reporting requirement for public interest entities, listed and large private companies to provide a clear, positive conclusion on whether management's assessment is appropriate, and to set out the work we have done in this respect. While the Council are not one of the three entity types listed, we will ensure compliance with any updated reporting requirements;
- ▶ a stand back requirement to consider all of the evidence obtained, whether corroborative or contradictory, when we draw our conclusions on going concern; and
- ▶ necessary consideration regarding the appropriateness of financial statement disclosures around going concern.

The revised standard extends requirements to report to regulators where we have concerns about going concern.

We will discuss the detailed implications of the new standard with finance staff during 2019/20 ahead of its application for 2020/21.

03

## Value for Money Risks

# Value for Money

## Background

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

For 2019/20 this is based on the overall evaluation criterion:

"In all significant respects, the audited body had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people"

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

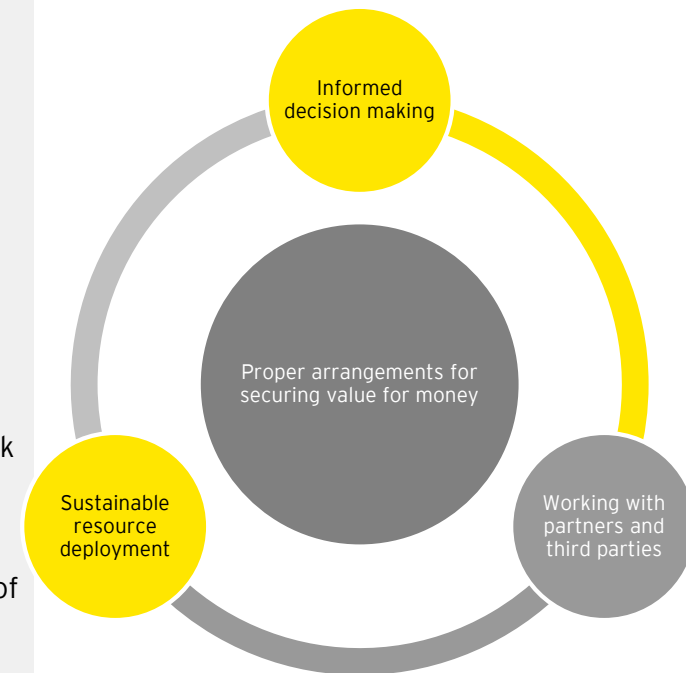

- Take informed decisions;
- Deploy resources in a sustainable manner; and
- Work with partners and other third parties.

In considering your proper arrangements, we will draw on the requirements of the CIPFA/SOLACE framework for local government to ensure that our assessment is made against a framework that you are already required to have in place and to report on through documents such as your annual governance statement.

We are only required to determine whether there are any risks that we consider significant, which the Code of Audit Practice defines as:

"A matter is significant if, in the auditor's professional view, it is reasonable to conclude that the matter would be of interest to the audited body or the wider public"

Our risk assessment supports the planning of sufficient work to enable us to deliver a safe conclusion on arrangements to secure value for money and enables us to determine the nature and extent of further work that may be required. If we do not identify any significant risks there is no requirement to carry out further work. Our risk assessment has therefore considered both the potential financial impact of the issues we have identified, and also the likelihood that the issue will be of interest to local taxpayers, the Government and other stakeholders. This has resulted in the identification of the significant risk noted on the following page which we view as relevant to our value for money conclusion.

# Value for Money Risk

What is the significant value for money risk?	What arrangements does the risk affect?	What will we do?
<p><b>Delivery of Ambitious Capital Programme</b></p> <p>The Council set a capital programme for 2019/20 at £41.4 million in December 2018. At quarter 3 the Council anticipates delivering £13.4 million which represents only 32% of the initial plan.</p> <p>In 2018/19 the capital programme outturn was £6.2 million against a 2018/19 budget of £12.2 million.</p> <p>The Council has several large capital projects planned, including Old River Lane, Grange Paddocks Leisure Centre, Hartham Leisure Centre and the Hertford Theatre. There is a risk that, given the relative size of the Council and the number of projects in operation, the Council does not have the capacity or expertise to successfully deliver these projects within budget and in a timely manner to deliver the benefits identified and needed.</p> <p>The projects present challenges for the Council in terms of governance, financial and risk management as well as partnership working. Given the significance and importance of these decisions to the Council's strategic, operational and financial priorities, the effectiveness of the governance and risk management arrangements related to this project are crucial.</p>	<ul style="list-style-type: none"><li>• Take informed decisions</li><li>• Sustainable resource deployment</li><li>• Working with partners and third parties</li></ul>	<p>Our approach will focus on the effectiveness of the Council's arrangements to exercise oversight of the capital programme. This will include reviewing:</p> <ul style="list-style-type: none"><li>• The information provided to Members and Officers when taking decisions in relation to the programme;</li><li>• The consideration of any advice taken by the Council, including legal and financial advice;</li><li>• The extent to which the Council has identified, considered, and mitigated the risks around the programme;</li><li>• The extent to which the Council has considered the funding of the programme;</li><li>• The governance arrangements and judgement made during any tender processes; and</li><li>• The adequacy of the processes established by the Council to review and monitor delivery of any agreed outputs.</li></ul>

04

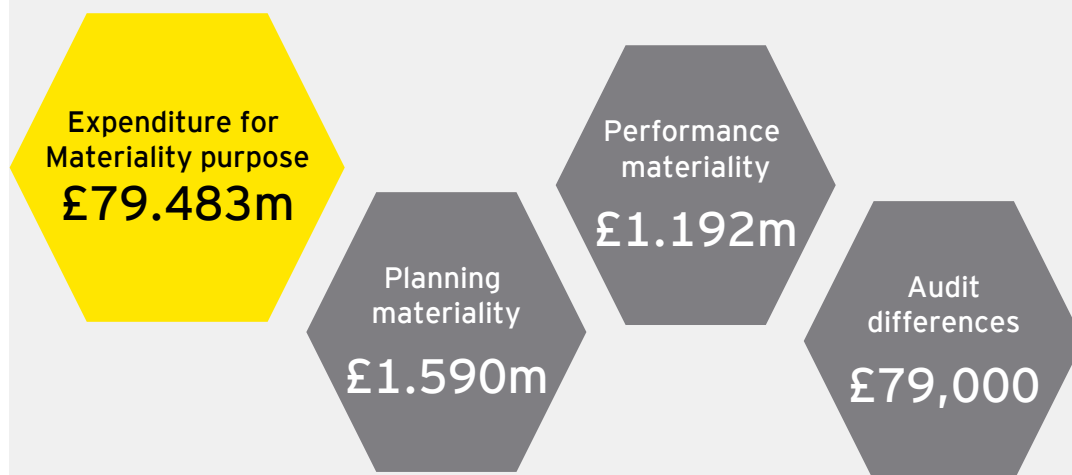

## Audit materiality

# Materiality

### Materiality

For planning purposes, materiality for 2019/20 has been set at £1.590 million. This represents 2% of the Council's prior year gross expenditure on net cost of services plus financing and investment expenditure and other operating expenditure. It will be reassessed throughout the audit process. We have provided supplemental information about audit materiality in Appendix C.

We request that the Performance, Audit and Governance Oversight Committee confirm its understanding of, and agreement to, these materiality and reporting levels.

### Key definitions

**Planning materiality** - the amount over which we anticipate misstatements would influence the economic decisions of a user of the financial statements.

**Performance materiality** - the amount we use to determine the extent of our audit procedures. We have set performance materiality at £1.192 million which represents 75% of planning materiality. We have considered a number of factors such as the number of errors in the prior year and any significant changes when determining the percentage of performance materiality. We have used the higher end of the range.

**Audit difference threshold** - we propose that misstatements identified below this threshold are deemed clearly trivial. We will report to you all uncorrected misstatements over this amount relating to the comprehensive income and expenditure statement, balance sheet and collection fund that have an effect on income or that relate to other comprehensive income.

Other uncorrected misstatements, such as reclassifications and misstatements in the cashflow statement and movement in reserves statement or disclosures, and corrected misstatements will be communicated to the extent that they merit the attention of the Performance, Audit and Governance Oversight Committee, or are important from a qualitative perspective.

**Specific materiality** - We have set a lower materiality for Senior Officer's Remuneration, Members' Allowances and Exit Packages disclosures which reflects our understanding that an amount less than our materiality would influence the economic decisions of users of the financial statements in relation to this.

**Group materiality** - We will update the Committee in our Audit Result Report about the materiality level we have used in the audit of the group accounts. Given the size of Millstream this is unlikely to be significantly different from the values presented here.

05

## Scope of our audit

# Our Audit Process and Strategy

### Objective and Scope of our Audit scoping

Under the Code of Audit Practice our principal objectives are to review and report on the Council's financial statements and arrangements for securing economy, efficiency and effectiveness in its use of resources to the extent required by the relevant legislation and the requirements of the Code.

We issue an audit report that covers:

#### 1. Financial statement audit

Our objective is to form an opinion on the financial statements under International Standards on Auditing (UK).

We also perform other procedures as required by auditing, ethical and independence standards, the Code and other regulations. We outline below the procedures we will undertake during the course of our audit.

##### Procedures required by standards

- Addressing the risk of fraud and error;
- Significant disclosures included in the financial statements;
- Entity-wide controls;
- Reading other information contained in the financial statements and reporting whether it is inconsistent with our understanding and the financial statements; and
- Auditor independence.

##### Procedures required by the Code

- Reviewing, and reporting on as appropriate, other information published with the financial statements, including the Annual Governance Statement; and
- Reviewing and reporting on the Whole of Government Accounts return, in line with the instructions issued by the NAO.

#### 2. Arrangements for securing economy, efficiency and effectiveness (value for money)

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources.

# Our Audit Process and Strategy (continued)

### Audit Process Overview

#### Our audit involves:

- ▶ Identifying and understanding the key processes and internal controls; and
- ▶ Substantive tests of detail of transactions and amounts.

Our intention is to carry out a fully substantive audit in 2019/20 as we believe this to be the most efficient audit approach. Although we are therefore not intending to rely on individual system controls in 2019/20, the overarching control arrangements form part of our assessment of your overall control environment and will form part of the evidence for your Annual Governance Statement.

#### Analytics:

We will use our computer-based analytics tools to enable us to capture whole populations of your financial data, in particular journal entries. These tools:

- ▶ Help identify specific exceptions and anomalies which can then be subject to more traditional substantive audit tests; and
- ▶ Give greater likelihood of identifying errors than random sampling techniques.

We will report the findings from our process and analytics work, including any significant weaknesses or inefficiencies identified and recommendations for improvement, to management and the Performance, Audit and Governance Oversight Committee.

#### Internal audit:

We will regularly meet with the Head of Internal Audit, and review internal audit plans and the results of their work. We will reflect the findings from these reports, together with reports from any other work completed in the year, in our detailed audit plan, where they raise issues that could have an impact on the financial statements.

06

Audit team

## Audit team

### Audit team

The engagement team is led by Suresh Patel for his second year as Associate Partner on the audit. Suresh has significant public sector audit experience, with a portfolio of Local Authorities and Local Government Pension Funds and is a member of the Chartered Institute of Public Finance and Accountancy (CIPFA).

Suresh is supported by Dan Cooke, Manager, who is responsible for the day-to-day direction of audit work and is the key point of contact for the finance manager. Dan was the manager during the 2018/19 audit.

### Use of specialists

Our approach to the involvement of specialists, and the use of their work.

When auditing key judgements, we are often required to rely on the input and advice provided by specialists who have qualifications and expertise not possessed by the core audit team. The areas where either EY or third party specialists provide input for the current year audit are:

Area	Specialists
Valuation of Land and Buildings	Council's valuer (internal valuer) EY Real Estates Team (if required)
Pensions Disclosure	Council's Actuary (Hymans Robertson) EY Pensions Advisory Team
Business Rates Appeals Provision	Council's specialist (Analyse Local)

In accordance with Auditing Standards, we will evaluate each specialist's professional competence and objectivity, considering their qualifications, experience and available resources, together with the independence of the individuals performing the work.

We also consider the work performed by the specialist in light of our knowledge of the Council's business and processes and our assessment of audit risk in the particular area. For example, we would typically perform the following procedures:

- ▶ Analyse source data and make inquiries as to the procedures used by the specialist to establish whether the source data is relevant and reliable;
- ▶ Assess the reasonableness of the assumptions and methods used;
- ▶ Consider the appropriateness of the timing of when the specialist carried out the work; and
- ▶ Assess whether the substance of the specialist's findings are properly reflected in the financial statements.

07

## Audit timeline

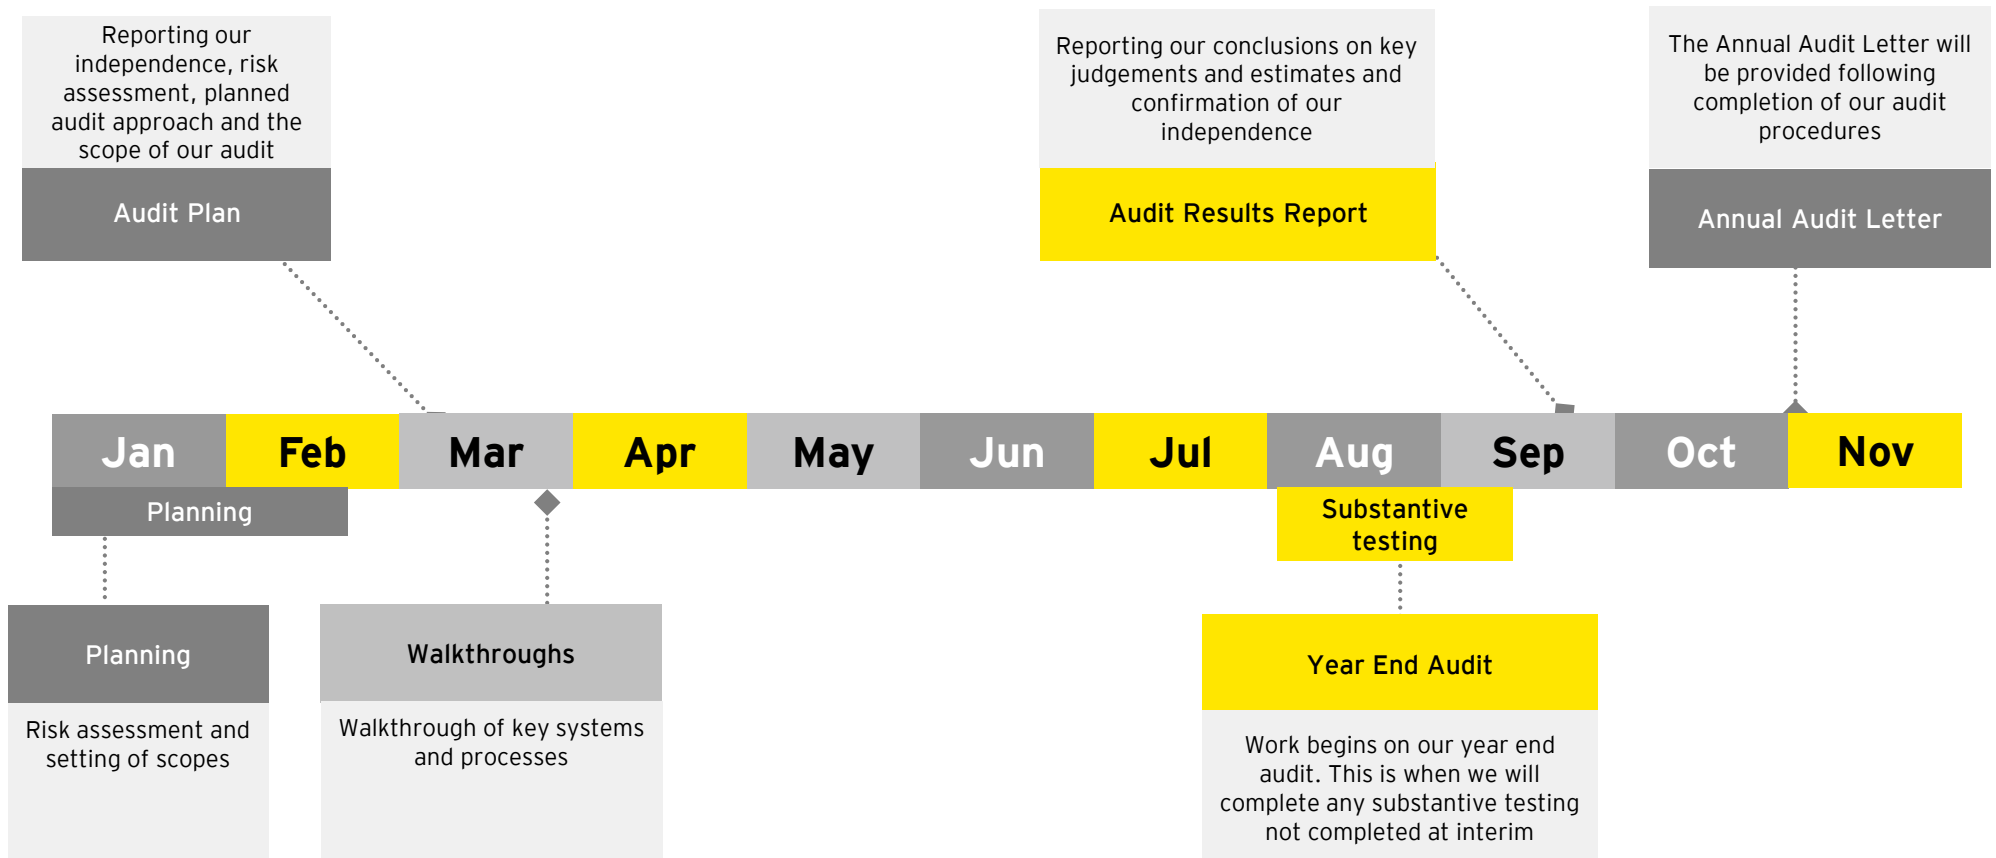

## Proposed audit timeline

# Proposed timetable of communication and deliverables

### Proposed timeline

Following the prior year where we rescheduled the year end audit at a late stage, we have tried to give the Council early notice of the planned scheduling for 2019/20. Below is a proposed timetable we have shared with officers showing the key stages of the audit and the deliverables we have agreed to provide to you through the audit cycle in 2019/20. We are currently working through precise dates. If anything changes we will update officers and the Committee as soon as we can.

From time to time matters may arise that require immediate communication with the Audit Committee and we will discuss them with the Audit Committee Chair as appropriate. We will also provide updates on corporate governance and regulatory matters as necessary.

08

# Independence

## Introduction

The FRC Ethical Standard and ISA (UK) 260 “Communication of audit matters with those charged with governance”, requires us to communicate with you on a timely basis on all significant facts and matters that bear upon our integrity, objectivity and independence. The Ethical Standard, as revised in June 2016, requires that we communicate formally both at the planning stage and at the conclusion of the audit, as well as during the course of the audit if appropriate. The aim of these communications is to ensure full and fair disclosure by us to those charged with your governance on matters in which you have an interest.

Required communications	
Planning stage	Final stage
<ul style="list-style-type: none"> <li>▶ The principal threats, if any, to objectivity and independence identified by Ernst &amp; Young (EY) including consideration of all relationships between the you, your affiliates and directors and us;</li> <li>▶ The safeguards adopted and the reasons why they are considered to be effective, including any Engagement Quality review;</li> <li>▶ The overall assessment of threats and safeguards;</li> <li>▶ Information about the general policies and process within EY to maintain objectivity and independence.</li> <li>▶ Where EY has determined it is appropriate to apply more restrictive independence rules than permitted under the Ethical Standard.</li> </ul>	<ul style="list-style-type: none"> <li>▶ In order for you to assess the integrity, objectivity and independence of the firm and each covered person, we are required to provide a written disclosure of relationships (including the provision of non-audit services) that may bear on our integrity, objectivity and independence. This is required to have regard to relationships with the entity, its directors and senior management, its affiliates, and its connected parties and the threats to integrity or objectivity, including those that could compromise independence that these create. We are also required to disclose any safeguards that we have put in place and why they address such threats, together with any other information necessary to enable our objectivity and independence to be assessed;</li> <li>▶ Details of non-audit services provided and the fees charged in relation thereto;</li> <li>▶ Written confirmation that the firm and each covered person is independent and, if applicable, that any non-EY firms used in the group audit or external experts used have confirmed their independence to us;</li> <li>▶ Written confirmation that all covered persons are independent;</li> <li>▶ Details of any inconsistencies between FRC Ethical Standard and your policy for the supply of non-audit services by EY and any apparent breach of that policy;</li> <li>▶ Details of any contingent fee arrangements for non-audit services provided by us or our network firms; and</li> <li>▶ An opportunity to discuss auditor independence issues.</li> </ul>

In addition, during the course of the audit, we are required to communicate with you whenever any significant judgements are made about threats to objectivity and independence and the appropriateness of safeguards put in place, for example, when accepting an engagement to provide non-audit services. We also provide information on any contingent fee arrangements, the amounts of any future services that have been contracted, and details of any written proposal to provide non-audit services that has been submitted. We ensure that the total amount of fees that EY and our network firms have charged to you and your affiliates for the provision of services during the reporting period, analysed in appropriate categories, are disclosed.

## Relationships, services and related threats and safeguards

We highlight the following significant facts and matters that may be reasonably considered to bear upon our objectivity and independence, including the principal threats, if any. We have adopted the safeguards noted below to mitigate these threats along with the reasons why they are considered to be effective. However we will only perform non-audit services if the service has been pre-approved in accordance with your policy.

### Overall Assessment

Overall, we consider that the safeguards that have been adopted appropriately mitigate the principal threats identified and we therefore confirm that EY is independent and the objectivity and independence of Suresh Patel, your audit engagement partner and the audit engagement team have not been compromised.

### Self interest threats

A self interest threat arises when EY has financial or other interests in the Council. Examples include where we receive significant fees in respect of non-audit services; where we need to recover long outstanding fees; or where we enter into a business relationship with you. At the time of writing, there are no long outstanding fees.

We believe that it is appropriate for us to undertake permissible non-audit services and we will comply with the policies that you have approved.

None of the services are prohibited under the FRC's Ethical Standards or the National Audit Office's Auditor Guidance Note 01 and the services have been approved in accordance with your policy on pre-approval. The ratio of non audit fees to audits fees is not permitted to exceed 70%.

At the time of writing, there are no non-audit services and therefore we do not need any additional safeguards.

A self interest threat may also arise if members of our audit engagement team have objectives or are rewarded in relation to sales of non-audit services to you. We confirm that no member of our audit engagement team, including those from other service lines, has objectives or is rewarded in relation to sales to you, in compliance with Ethical Standard part 4.

There are no self interest threats at the date of this report.

### Self review threats

Self review threats arise when the results of a non-audit service performed by EY or others within the EY network are reflected in the amounts included or disclosed in the financial statements.

There are no self review threats at the date of this report.

## Relationships, services and related threats and safeguards (continued)

### Management threats

Partners and employees of EY are prohibited from taking decisions on behalf of management of the Council. Management threats may also arise during the provision of a non-audit service in relation to which management is required to make judgements or decision based on that work.

There are no management threats at the date of this report.

### Other threats

Other threats, such as advocacy, familiarity or intimidation, may arise.

There are no other threats at the date of this report.

Description of service	Related independence threat	Period provided/duration	Safeguards adopted and reasons considered to be effective
We have been engaged to undertake the audit of the Housing Benefits Subsidy Claim 2019/20. The agreed upon procedures on the certification arrangements are due to start in April. Our current fee level is £14,340 however we will update you should this amount change.	Self review threat - figures included in the return are also included in the 2019/20 financial statements.	Relates to 2019/20 return for the period to 31 March 2020.	<p>We have assessed the related threats to independence and note that although certain figures in the return are included in the financial statements the agreed upon procedures are being performed after the signing of the financial statements for 2019/20.</p> <p>The agreed upon procedures focus on the specific requirements of the certification arrangements and we place limited reliance on this work for the purposes of the financial statements audit. No other threats to independence have been identified.</p>

## Other communications

### EY Transparency Report 2019

Ernst & Young (EY) has policies and procedures that instil professional values as part of firm culture and ensure that the highest standards of objectivity, independence and integrity are maintained.

Details of the key policies and processes in place within EY for maintaining objectivity and independence can be found in our annual Transparency Report which the firm is required to publish by law. The most recent version of this Report is for the year end 30 June 2019:

[https://www.ey.com/Publication/vwLUAssets/ey-uk-2019-transparency-report/\\$FILE/ey-uk-2019-transparency-report.pdf](https://www.ey.com/Publication/vwLUAssets/ey-uk-2019-transparency-report/$FILE/ey-uk-2019-transparency-report.pdf)

09

## Appendices

## Appendix A

### Fees

The duty to prescribe fees is a statutory function delegated to Public Sector Audit Appointments Ltd (PSAA) by the Secretary of State for Communities and Local Government. PSAA has published a scale fee for all relevant bodies. This is defined as the fee required by auditors to meet statutory responsibilities under the Local Audit and Accountability Act 2014 in accordance with the requirements of the Code of Audit Practice and supporting guidance published by the National Audit Office, the financial reporting requirements set out in the Code of Practice on Local Authority Accounting published by CIPFA/LASAAC, and the professional standards applicable to auditors' work.

	Planned fee 2019/20 (£)	Final Fee 2018/19 (£)
Scale Fee - Code work (note 1)	40,295	40,295
Additional fees (note 2)		
- VFMC significant risk	2,000-5,000	
- Group accounts	4,000-5,000	
- Old River Lane significant risk	-	1,750
- New General ledger	-	1,950
- Updated pension disclosures	-	950
<b>Total audit</b>	<b>46,295-50,295</b>	<b>44,945</b>
Non-audit services:		
Housing Benefits (note 3)	14,340	14,340
<b>Total other non-audit services</b>	<b>14,340</b>	<b>14,340</b>
<b>Total fees</b>	<b>60,635-64,635</b>	<b>58,835</b>

The agreed fee presented is based on the following assumptions:

- ▶ Officers meeting the agreed timetable of deliverables;
- ▶ Our accounts opinion being unqualified;
- ▶ Appropriate quality of documentation is provided by the Council; and
- ▶ The Council has an effective control environment.

If any of the above assumptions prove to be unfounded, we will seek a variation to the agreed fee. This will be discussed in advance.

Fees for the auditor's consideration of correspondence from the public and formal objections will be charged in addition to the scale fee.

All fees exclude VAT

#### Notes:

1. We will shortly be discussing with the Section 151 officer our proposed increase to the scale fee.
2. We provide a range for the additional fees associated with new risks.
3. You engage us to act as reporting accountant for the housing benefits certification work. This is the base fee.

All additional fees are subject to approval by PSAA.

## Appendix B

# Required communications with the Performance, Audit and Governance Oversight Committee

We have detailed the communications that we must provide to the Performance, Audit and Governance Oversight Committee.

Our Reporting to you		
Required communications	 What is reported?	 When and where
Terms of engagement	Confirmation by the Performance, Audit and Governance Oversight Committee of acceptance of terms of engagement as written in the engagement letter signed by both parties.	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies.
Our responsibilities	Reminder of our responsibilities as set out in the engagement letter	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies.
Planning and audit approach	Communication of the planned scope and timing of the audit, any limitations and the significant risks identified. When communicating key audit matters this includes the most significant risks of material misstatement (whether or not due to fraud) including those that have the greatest effect on the overall audit strategy, the allocation of resources in the audit and directing the efforts of the engagement team	Audit Plan - March 2020
Significant findings from the audit	<ul style="list-style-type: none"> <li>▶ Our view about the significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures</li> <li>▶ Significant difficulties, if any, encountered during the audit</li> <li>▶ Significant matters, if any, arising from the audit that were discussed with management</li> <li>▶ Written representations that we are seeking</li> <li>▶ Expected modifications to the audit report</li> <li>▶ Other matters if any, significant to the oversight of the financial reporting process</li> </ul>	Audit Results Report - September 2020

## Appendix B

# Required communications with the Performance, Audit and Governance Oversight Committee (continued)

Our Reporting to you		
Required communications	What is reported?	When and where
Misstatements	<ul style="list-style-type: none"> <li>▶ Uncorrected misstatements and their effect on our audit opinion, unless prohibited by law or regulation</li> <li>▶ The effect of uncorrected misstatements related to prior periods</li> <li>▶ A request that any uncorrected misstatement be corrected</li> <li>▶ Corrected misstatements that are significant</li> <li>▶ Material misstatements corrected by management</li> </ul>	Audit Results Report - September 2020
Fraud	<ul style="list-style-type: none"> <li>▶ Enquiries of the Performance, Audit and Governance Oversight Committee to determine whether they have knowledge of any actual, suspected or alleged fraud affecting the entity</li> <li>▶ Any fraud that we have identified or information we have obtained that indicates that a fraud may exist</li> <li>▶ A discussion of any other matters related to fraud</li> </ul>	Audit Results Report - September 2020
Related parties	<ul style="list-style-type: none"> <li>▶ Significant matters arising during the audit in connection with the entity's related parties including, when applicable:</li> <li>▶ Non-disclosure by management</li> <li>▶ Inappropriate authorisation and approval of transactions</li> <li>▶ Disagreement over disclosures</li> <li>▶ Non-compliance with laws and regulations</li> <li>▶ Difficulty in identifying the party that ultimately controls the entity</li> </ul>	Audit Results Report - September 2020
Independence	<p>Communication of all significant facts and matters that bear on EY's, and all individuals involved in the audit, objectivity and independence</p> <p>Communication of key elements of the audit engagement partner's consideration of independence and objectivity such as:</p> <ul style="list-style-type: none"> <li>▶ The principal threats</li> <li>▶ Safeguards adopted and their effectiveness</li> <li>▶ An overall assessment of threats and safeguards</li> <li>▶ Information about the general policies and process within the firm to maintain objectivity and independence.</li> </ul>	Audit Plan - March 2020; and Audit Results Report - September 2020

## Appendix B

# Required communications with the Performance, Audit and Governance Oversight Committee (continued)

		Our Reporting to you
Required communications	 What is reported?	 When and where
External confirmations	<ul style="list-style-type: none"> <li>▶ Management's refusal for us to request confirmations</li> <li>▶ Inability to obtain relevant and reliable audit evidence from other procedures</li> </ul>	Audit Results Report - September 2020
Consideration of laws and regulations	<ul style="list-style-type: none"> <li>▶ Audit findings regarding non-compliance where the non-compliance is material and believed to be intentional. This communication is subject to compliance with legislation on tipping off</li> <li>▶ Enquiry of the Performance, Audit and Governance Oversight Committee into possible instances of non-compliance with laws and regulations that may have a material effect on the financial statements and that the Performance, Audit and Governance Oversight Committee may be aware of</li> </ul>	Audit Results Report - September 2020
Internal controls	<ul style="list-style-type: none"> <li>▶ Significant deficiencies in internal controls identified during the audit</li> </ul>	Audit Results Report - September 2020
Representations	Written representations we are requesting from management and/or those charged with governance	Audit Results Report - September 2020
Material inconsistencies and misstatements	Material inconsistencies or misstatements of fact identified in other information which management has refused to revise	Audit Results Report - September 2020
Auditors report	<ul style="list-style-type: none"> <li>▶ Key audit matters that we will include in our auditor's report</li> <li>▶ Any circumstances identified that affect the form and content of our auditor's report</li> </ul>	Audit Results Report - September 2020

## Appendix B

# Required communications with the Performance, Audit and Governance Oversight Committee (continued)

Required communications	 What is reported?	  When and where
Group audits	<ul style="list-style-type: none"> <li>▶ An overview of the type of work to be performed on the financial information of the components</li> <li>▶ An overview of the nature of the group audit team's planned involvement in the work to be performed by the component auditors on the financial information of significant components</li> <li>▶ Instances where the group audit team's evaluation of the work of a component auditor gave rise to a concern about the quality of that auditor's work</li> <li>▶ Any limitations on the group audit, for example, where the group engagement team's access to information may have been restricted</li> <li>▶ Fraud or suspected fraud involving group management, component management, employees who have significant roles in group-wide controls or others where the fraud resulted in a material misstatement of the group financial statements</li> </ul>	Audit plan - March 2020 Audit Results Report - September 2020
Fee Reporting	<ul style="list-style-type: none"> <li>▶ Breakdown of fee information when the audit plan is agreed</li> <li>▶ Breakdown of fee information at the completion of the audit</li> <li>▶ Any non-audit work</li> </ul>	Audit plan - March 2020 Audit Results Report - September 2020
Going concern	Events or conditions identified that may cast significant doubt on the entity's ability to continue as a going concern, including: <ul style="list-style-type: none"> <li>▶ Whether the events or conditions constitute a material uncertainty</li> <li>▶ Whether the use of the going concern assumption is appropriate in the preparation and presentation of the financial statements</li> <li>▶ The adequacy of related disclosures in the financial statements</li> </ul>	Audit Results Report - September 2020

## Additional audit information

### Other required procedures during the course of the audit

In addition to the key areas of audit focus outlined in section 2, we have to perform other procedures as required by auditing, ethical and independence standards and other regulations. We outline the procedures below that we will undertake during the course of our audit.

#### **Our responsibilities required by auditing standards**

- ▶ Identifying and assessing the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- ▶ Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control.
- ▶ Evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Concluding on the appropriateness of management's use of the going concern basis of accounting.
- ▶ Evaluating the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ▶ Obtaining sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Council to express an opinion on the consolidated financial statements. Reading other information contained in the financial statements, including the board's statement that the annual report is fair, balanced and understandable, the Performance, Audit and Governance Oversight Committee reporting appropriately addresses matters communicated by us to the Performance, Audit and Governance Oversight Committee and reporting whether it is materially inconsistent with our understanding and the financial statements; and
- ▶ Maintaining auditor independence.

## Additional audit information (continued)

### Purpose and evaluation of materiality

For the purposes of determining whether the accounts are free from material error, we define materiality as the magnitude of an omission or misstatement that, individually or in the aggregate, in light of the surrounding circumstances, could reasonably be expected to influence the economic decisions of the users of the financial statements. Our evaluation of it requires professional judgement and necessarily takes into account qualitative as well as quantitative considerations implicit in the definition. We would be happy to discuss with you your expectations regarding our detection of misstatements in the financial statements.

Materiality determines:

- ▶ The locations at which we conduct audit procedures to support the opinion given on the financial statements; and
- ▶ The level of work performed on individual account balances and financial statement disclosures.

The amount we consider material at the end of the audit may differ from our initial determination. At this stage, however, it is not feasible to anticipate all of the circumstances that may ultimately influence our judgement about materiality. At the end of the audit we will form our final opinion by reference to all matters that could be significant to users of the accounts, including the total effect of the audit misstatements we identify, and our evaluation of materiality at that date.

## EY | Assurance | Tax | Transactions | Advisory

### About EY

EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. For more information about our organization, please visit [ey.com](https://ey.com).
