Date of Meeting: 16 June 2020

Report by: Scrutiny Officer

Report title: Overview and Scrutiny – Draft Work Programme

Ward(s) affected: All

Summary

- This report reviews actions included in the committee's existing Work Programme and proposes amendments to the ongoing Work Programme.

RECOMMENDATION FOR OVERVIEW AND SCRUTINY COMMITTEE, that:

(A) the proposed Work Programme, as included in Appendix A be approved,

1.0 Proposal(s)

1.1 Items previously required, identified or suggested for the Overview and Scrutiny (OS) work programme as set out in **Appendix A.**

1.2 Scrutiny committees have the power of influence and are entitled to review and scrutinise the functions of the Council and the decisions of the Executive. The Committee serves as a 'critical friend' and is not a decision-making body but can make recommendations to the Executive and who must respond formally to recommendations within a given

timeframe.

2.0 Background

- 2.1 The draft agenda for 2019/20 meetings of Overview and Scrutiny Committee is shown in **Appendix A**. The timing of some items shown may have to change depending on availability of essential data (eg. from central government) external sources and officers.
- 2.2 Members are reminded that for a topic to be valid for Scrutiny it needs to be relevant to the work of the council and impact on a number of residents / or the wider area. In addition, there needs to be evidence, whether readily quantifiable or anecdotal, that this is an issue requiring investigation.
- 2.1 Members are welcome to submit a scrutiny proposal at any time by completing a Scrutiny Proposal Form (Available from the Scrutiny Officer) which will provide officers with sufficient information to assess it is appropriate for Scrutiny and to ensure their specific questions are addressed. The Scrutiny Officer will then liaise with officers and the Scrutiny Chairman to consider the best way to address the subject and complete a scoping document.
- 2.2 Members are also asked whether there is any training relevant to scrutiny or to the function and remit of the OS Committee that they wish to suggest.
- 2.3 At the request of the Leader and the Chief Executive the Centre for Public Scrutiny (CfPS) was asked to undertake a Review of Scrutiny at East Herts. To this end a number of key Officers and Members were interviewed (via Zoom) by Officers from the CfPS on 26 and 27 May. The results of these interviews and their subsequent recommendations will be reported back in due course .

3.0 Report to the Executive – Review of East Herts Parking Policy: Report of the Parking Task and Finish Group

3.1 Members will recall that a Parking Task and Finish Group reported their findings following a substantial review of East Herts Parking Policies, to the Executive on 11 February 2020. At that meeting, Members received the findings of the Parking Task and Finish Group and agreed that Head of Operations, in consultation with the Chairman of the Overview and Scrutiny Committee and Chairman of the Parking Task and Finish Group, and with the Executive Member for Environmental Sustainability assess the full viability of the recommendations by the Executive and report back to the Executive setting out cost implications. This was included on the Forward Plan published on 21 May 2020 as “deferred”. A further update will be provided at the meeting.

4.0 Reason(s)

4.1 This report provides an update on the current situation in relation to issues raised by Members.

5.0 Options

5.1 The Work Programme will be kept under review by the committee throughout the coming year.

6.0 Risks

6.1 The establishment of an Overview and Scrutiny Committee is enshrined in the Local Government Act 2000 (section 9). The 2000 Act obliges local authorities to adopt political management systems with a separate Executive. Various sub sections (of the 2000 Act), set out the powers and duties for Overview and Scrutiny Committees including the right to investigate and make recommendations on anything which is the responsibility of the Executive. Legislative provisions can also be found in the Localism Act 2011 (Schedule 2) with

options to retain or re-adopt a “committee system” (section 9B).

- 6.2 Potential risks arise for the council if policies and strategies are developed and/or enacted without sufficient scrutiny. Approval of an updated Work Programme contributes to the mitigation of this risk by ensuring key activities of the council are scrutinised.

7.0 Implications/Consultations

- 7.1 Scrutiny is an important part of the local democratic process and represents the interests of residents. It holds the Executive to account on behalf of residents and helps review and improve services and functions run by the Council and its local partners.
- 7.2 The proposed Work Programme has implications for Members’ time and the resources of the council devoted to scrutinizing the issues included.
