Other National TOMS which have not been prioritised but may be offered by bidders

Theme	Outcome	Measure
Sustainability	Sustainability at the heart of everything we do	Programme to achieve net zero carbon by 2030
Sustainability	Sustainability at the heart of everything we do	Supporting a just transition
Sustainability	Sustainability at the heart of everything we do	Low Carbon Apprenticeship opportunities
Sustainability	Sustainability at the heart of everything we do	Opportunities for MSMEs to tender for decarbonisation work
Sustainability	Sustainability at the heart of everything we do	Carbon emissions are reduced
Sustainability	Sustainability at the heart of everything we do	Contribution to own carbon offset fund by 2030
Sustainability	Sustainability at the heart of everything we do	Carbon certification
Sustainability	Sustainability at the heart of everything we do	Carbon reduction from energy efficiency — building operations
Sustainability	Sustainability at the heart of everything we do	Carbon reduction from Increased renewable energy – building operations
Sustainability	Sustainability at the heart of everything we do	Buildings meeting energy efficiency target
Sustainability	Sustainability at the heart of everything we do	Carbon reduction from reduced energy use and energy efficiency measures
Sustainability	Sustainability at the heart of everything we do	Carbon reduction from increased renewable energy – on site
Sustainability	Sustainability at the heart of everything we do	Savings in contract-related carbon
Sustainability	Sustainability at the heart of everything we do	Carbon offset fund payments
Sustainability	Sustainability at the heart of everything we do	Car miles saved
Sustainability	Sustainability at the heart of everything we do	(Low emission) car miles driven
Sustainability	Sustainability at the heart of everything we do	Corporate travel schemes
Sustainability	Sustainability at the heart of everything we do	% Fleet at least Euro 6 or LEV
Sustainability	Sustainability at the heart of everything we do	Fleet emissions programme
Sustainability	Sustainability at the heart of everything we do	Air quality regulations
Sustainability	Sustainability at the heart of everything we do	Investments in environmental initiatives
Sustainability	Sustainability at the heart of everything we do	Investments in sustainable reforestation
Sustainability	Sustainability at the heart of everything we do	Offsets or mitigation initiatives on biodiversity
Sustainability	Sustainability at the heart of everything we do	Environmental conservation volunteering
Sustainability	Sustainability at the heart of everything we do	Support to MSMEs and VCSEs on circular economy solutions
Sustainability	Sustainability at the heart of everything we do	Single use plastics eliminated
Sustainability	Sustainability at the heart of everything we do	Diverting hard to recycle waste
Sustainability	Sustainability at the heart of everything we do	Waste management verification
Sustainability	Sustainability at the heart of everything we do	Water use benchmark
Sustainability	Sustainability at the heart of everything we do	Water efficiency policy
Sustainability	Sustainability at the heart of everything we do	Water saved benchmark
Sustainability	Sustainability at the heart of everything we do	Waste good practice benchmark
