Question 1	David Royle, on behalf of the Sustainable Sawbridgeworth community group to ask Cllr Graham McAndrew, the Executive Member for Environmental Sustainability
<p>Sawbridgeworth Town Council produced its own Local Cycling and Walking Implementation Plan (LCWIP) in August 2018, over four years ago. It has not yet been implemented.</p> <p>We note that in North Hertfordshire there has just been a consultation on the proposed walking and cycling improvements in Hitchin, Letchworth Garden City, Baldock, Royston and Knebworth, as part of their Local Cycling and Walking Infrastructure Plans.</p> <p>Can we please ask how the East Herts LCWIP work is progressing, has it actually started, what stage is it at, when and how can local groups feed into it and when is it due for completion?</p>
