- 2.2 Members are recommended to review the proposed work programme and suggested training and identify any other training needs they require.

3.0 Work Programme

- 3.1 The Committee will note that the statement of accounts is shown as being approved by a sub-committee. Due to the problems in the local government external audit market, audits have been severely delayed due to the external auditor's lack of resources and therefore we cannot predict when audits will return to a firm timetable and the sub-committee is used to approve the statement of accounts as soon as practicable after the audit is completed.
