MEMBERS' QUESTIONS

Question 1

Councillor M Wood to ask the Leader of the Council:

*Would the Leader join me in welcoming the decision of the House of Commons to ban hunting with dogs?*

Question 2

Councillor A M Graham to ask the Leader of the Council:

*Does the Leader welcome the latest government strategy to combat anti-social behaviour by giving greater powers to town and parish councils to fine offenders and, if he does support this, could he outline how or if East Herts District Council will be supporting the parishes?*

Question 3

Councillor A M Graham to ask the Leader of the Council:

*Will the Leader and the Executive acknowledge that whilst there are some initiatives being taken to combat anti-social behaviour in our District, more can be done by the District Council and potential partners and, this being the case, does the Leader agree with me that, whilst there are a large number of activities available to young people either promoted by the varied organisations some of which the Council supports, there are not enough up to date/state of the art facilities and will he set up a dynamic group of potential partners to explore a visionary approach to addressing this problem?*

Question 4

Councillor A M Graham to ask the Leader of the Council:

*Will the Leader welcome the initiative shown by Liverpool City Council to ban smoking in public places at the earliest possible time?*
