

COUNCIL – 30 JUNE 2009

MEMBERS' QUESTIONS

Question 1

Councillor D Clark to ask the Executive Member for Resources and Internal Support:

*During the debate on the Causeway site at Council on 25 March, Councillor Tindale avoided answering a number of my questions by suggesting they could be answered in writing after the meeting instead. On 17 May, having not received anything, I wrote to Councillor Tindale requesting those written answers. Firstly Councillor Tindale denied that they were anything to do with him (despite relating to his portfolio), then he wrote that it had all become a bit of a bore - he denied any commitment to answer and suggested that I should ask him some other questions instead. Is the Executive Member incapable or simply unwilling to answer the questions I raised? Does he not know the answers; or is he just trying to avoid revealing some inconvenient truths?*

Question 2

Councillor N Clark to ask the Leader of the Council:

*Could the Leader provide an update on the plans to use web cameras to broadcast 'Full Council' meetings by September 2009, including the expected capital cost and the expected annual running costs?*
