1.0 Background

1.1 The Development Control Sub-Committee has resolved to grant planning permission, subject to planning obligations under Section 106 of the Town and Country Planning Act 1990, in the above cases, subject to conditions. It has not been possible to complete negotiations for the obligations within the six month period. The delays in these cases have been due to various circumstances and a short explanation is set out below.

Church Farm, Ardeley. New office accommodation.

The agreement is with the developers and their mortgagees for signature. They have been chased for a return of the documents in order to complete the matter.
