#### **East Herts Council Report**

#### Executive

#### Date of meeting: Tuesday 3 September 2024

**Report by:** Councillor Carl Brittain – Executive Member for Financial Sustainability

Report title: Financial Management 2024/25 - Q1 Forecast to year end

### Ward(s) affected: (All Wards);

#### Summary

- The net revenue budget for 2024/25 is £12.652m as set out in Table 1, this is funded by Council Tax. The forecast year end outturn as at 30 June 2024 predicts an overspend of £1.1m.
- The revised capital budget for 2024/25 is £19.017m, plus another £4.16m has been approved but not yet committed, as set out in Appendix C. The forecast outturn is £18.967m giving a variance of £50k.

#### **RECOMMENDATIONS FOR AUDIT & GOVERNANCE COMMITTEE**

- a) The reasons for the net revenue budget end of year projected overspend of £1.1m be considered;
- b) The capital programme forecast outturn of £50k be considered.

#### 1.0 Proposal(s)

1.1 Not Applicable

#### 2.0 Background

**2.1** The 2024/25 Medium Term Financial Plan (MTFP), revenue budget and capital programme were approved by Council on 28 February 2024. The 2024/25 net revenue budget is £12.652m, the

table below shows the budget alongside the 2024/25 forecast outturn as at Quarter 1. A further breakdown of the revenue budget and forecast outturn can be found in **Appendix A**

**2.2** The Net Cost of Services (NCS) budget of £21.678m includes the saving proposals of £1.186m that were approved as part of the MTFP. The table below shows the breakdown of the NCS forecast overspend between base operational budget and savings target, further details and commentary on the forecast overspend can be found in **Appendix B**.

Total 2024/25 NCS	21,678	22,807	1,129

**2.3** Details of the specific savings and the progress made against these are shown in **Appendix C**.

**2.4** The revised capital budget for 2024/25 is £19.017m, plus £4.16m has been approved by Council not yet committed, is set out in **Appendix D.** The forecast outturn is £18.967m giving a variance of £50k underspend.

**2.5** The outstanding debt as at Quarter 1 was £2.9m. Debt over 365 days totals £1.8m. Following the restructure of the Strategic Finance service, the Transactions Team is now fully staffed and work has commenced on improving the aged debt position. Officers are currently in negotiations regarding a trial to pursue some of the older collectable debts and will have an update on the progress made at Quarter 2. **Appendix E** provides the profile of the aged debt.

#### Mitigation of projected revenue overspend

**2.6** It is best practice, followed by the council each year, to base the forecast outturn at quarter 1 on prudent income and expenditure projections which do not include overly optimistic assumptions, particularly regarding anticipated income. Quarter by quarter, projections will be refined, particularly as more accurate forecasts based on actual income can be included.

**2.7** Within this context, officers have identified a series of ways in which the forecast overspend at this stage can be mitigated. These include:

- Work underway to appeal the business rate revaluations which have led to higher increases in business rates than the council had anticipated and budgeted for
- Continued vigilance on vacancy management including holding post vacant prior to recruitment without using agency staff and extending the assumed vacancy period in line with he difficulties we are experiencing in timely recruitment in the current jobs market.
- Refocusing of efficiencies that can be achieved through the Transformation programme now that large projects, which have absorbed senior officers' time, have concluded or will do so soon, such as the opening of BEAM, negotiation of the waste management contract, establishment of the UK Shared Prosperity Fund Programmes
- Accelerating work to review and uplift rents the council charges on its assets, such as shops and car parks leased to others

- Introducing a new advertising and sponsorship policy and seeking to maximise income through these sources
- Alleviating the council's responsibility for business rates at Charringtons House if it is disposed of before the end of 2024/25. Consideration has been given to demolishing the building, however the cost of doing this is too high.

### 3.0 Reason(s)

**3.1** Section 28 of the Local Government Act 2003 requires the council to monitor the budget and monitor and assess the adequacy of reserves and balances during the year. East Herts council's financial management framework requires quarterly reports to Audit and Governance Committee and the Executive with forecasts to year end.

**3.2** The Executive is required to consider the budget forecasts and ensure that action is taken in relation to any expenditure overspends or any underachievement of income so that the Council's financial resources are not exceeded.

#### 4.0 Options

4.1 Not applicable

#### 5.0 Risks

**5.1** Higher inflation and rising interest rates will put pressure on the council's revenue and capital budgets. Officers are keeping the situation under review and will alert members in a timely way if interventions are required.

#### 6.0 Implications/Consultations

**6.1** The Finance team have consulted with Heads of Service, service managers and budget holders in writing this report.

VARIANCE AGAINST BASE OPERATIONAL BUDGETS							
NNDR	1,588	1,861	273	National Non Domestic Rates bills for Multistorey car parks and Wallfields are significantly higher than budgeted due to the 2023 Business Rate Revaluation. The property team will engage agents to appeal the revaluation in an attempt to reduce the liability, however there is no guarantee of success.			
Transformation, staff restructuring costs	0	133	133	Service restructuring under the Transformation programme has resulted in one-off costs of £133k.			
Planning service – staffing costs & reduced planning income	2,238	2,406	168	<ul> <li>Planning is currently forecasting to be £168k overspent at year end. At present this is due to the following: <ul> <li>Decrease in planning applications as a result of rising construction costs and overall cost of living crisis which has the effect of reducing actual income against budget incomed.</li> <li>Ongoing recruitment difficulties which have meant that the service continues to use consultants to assist with the workload and planning application backlog.</li> </ul> </li> </ul>			
BEAM	(548)	(367)	181	At BEAM, income projected to be lower than anticipated this year given the phased opening also a lack of a year zero budget which has resulted in higher expenditure.			
Charringtons House	0	333	333	Charringtons House was closed to tenants on 31 March 2023, the council remains liable for costs in relation to business rates and utilities.			
Buntingford Depot	210	333	123	A rent review has been undertaken in respect of Buntingford Depot which has resulted in additional costs of £123k.

Savings requiring member decision Description HGGT Joint Committee	Harlow and Gilston was designated as a Garden Town by the Department for Homes, Communities and Local Government in January 2017 and will comprise new and existing communities in and around Harlow. To support delivery and joint working the programme is currently being overseen by the Garden Town Board which will be replaced by a Joint Committee and Delivery Team. The saving proposed is f15k representing a 10% reduction. This would mean the Council's contribution to the core funding of HGGT would be £135K for 2024/2025. This is considered to be an appropriate saving whilst still providing a meaningful contribution to the operation of HGGT.
