ANNUAL COUNCIL – 18 MAY 2016

MEMBERS' QUESTIONS

Question 1

Councillor N Symonds to ask the Executive Member for Health and Wellbeing:

Would the Executive Member for Health and Wellbeing strongly urge our housing associations to work in a much more proactive manner with the police to evict those known to be dealing drugs, causing anti-social behaviour and making other residents' lives a misery.

Question 2

Councillor P Phillips to ask the Leader of the Council:

The "Stop Bengeo Quarry" campaign is working tirelessly to highlight the significant dangers to our local community of extracting over 2.5 million tonnes of sand and gravel from an area that is 320 metres from Bengeo Primary school and in close proximity to many hundreds of local residents, following an application by local land owners to Hertfordshire County Council in March this year. Can I ask the Leader to join myself, local colleagues, local residents and our MP in offering her, and this Council's, support to the "Stop Bengeo Quarry" campaign?

Question 3

Councillor M Stevenson to ask the Executive Member for Environment and the Public Space:

Can the Council's policy of not entering to collect items of heavy furniture be changed in the case of vulnerable and elderly residents, who otherwise might have to pay privately to remove items to the kerbside?
