The External Auditor submitted a report on the Audit Plan which set out how the External Auditors intended to carry out their responsibilities; the proposed audit approach and scope for the 2019/20 audit against accountings requirements; and legislation to ensure that the audit was aligned both with the Council's service expectations and also the need to take account of the ongoing situation regarding Covid-19.

- Audit Materiality;
- Scope of the audit;
- Audit Team and timeline;

The External Auditor referred Members to page 37 of the report for an overview and to page 38 for a number of new areas of focus including group accounting and the implementation of new auditing and accounting standards. He said that the External

Auditor had identified a significant value for money conclusion risk in relation to the Council's capital programme. The External Auditor referred in particular to the management and delivery of the programme into 2021 and drew Members' attention to section 3 for further details of this risk and an outline of the planned procedure the External Auditors would use to form a value for money conclusion.

The Shared Anti-Fraud Service (SAFs) submitted a report on the progress of the SAFs and East Herts draft Anti-Fraud Action Plan for 2020/21, which had been carried forward from the cancelled meeting in March 2020.

Members were advised that the report provided details of the Council's anti-fraud and corruption arrangements for 2020/21. The Anti-Fraud Plan ensured that the Council considered and acknowledged the risk of fraud and had in place appropriate policies and processes to investigate fraud.

The Officer said that a new and emerging risk was "phishing" emails which were intended to look exactly like legitimate correspondence from the Council. This resulted in a significant fraud risk to the Council and to the recipient of the email.

The SAFs Officer provided an update on the current situation regarding Covid-19 and Members sought and were provided with clarification on a number of issues including:

- Increases in reported fraud;
- Grants being issued to the Community;

that the Council was performing well for an Authority of its size in dealing with suspected cases of fraud.

The Head of Strategic Finance and Property said that grant monies were being moved along as quickly as possible to avoid cases of bankruptcy. Members were reminded that a new Monitoring Officer had been appointed and that controls were in place to control, detect, prevent and mitigate fraud.

The Head of Strategic Finance and Property confirmed to Councillor Curtis that the reclaim of fraudulently claimed benefits was integral part of the normal anti-fraud activity.
