### **Public Attendance**

The Coronavirus Act 2020 to allow for local authorities to continue committee meetings online expired on 6th May 2021. Therefore, committee meetings must now be held face to face.

If you are attending a committee meeting as a member of the public, information on the measures to keep yourself and everyone else safe have been finalised.

Please note that meetings will continue to be live streamed and webcasted. For further information, please email [democraticservices@eastherts.gov.uk](mailto:democraticservices@eastherts.gov.uk) or call the Council on 01279 655261 and ask to speak to Democratic Services.

### **Audio/Visual Recording of meetings**

Everyone is welcome to record meetings of the Council and its Committees using whatever, non-disruptive, methods you think are suitable, which may include social media of any kind, such as tweeting, blogging or Facebook. However, oral reporting or commentary is prohibited. If you have any questions about this please contact Democratic Services (members of the press should contact the Press Office). Please note that the Chairman of the meeting has the discretion to halt any recording for a number of reasons, including disruption caused by the filming or the nature of the business being conducted. Anyone filming a meeting should focus only on those actively participating and be sensitive to the rights of minors, vulnerable adults and those members of the public who have not consented to being filmed.

Implementing paperless meetings will save East Herts Council approximately £50,000 each year in printing and distribution costs of agenda packs for councillors and officers.

You can use the mod.gov app to access, annotate and keep all committee paperwork on your mobile device.

The Council is moving to a paperless policy in respect of Agendas at Committee meetings. From 1 September 2019, the Council will no longer be providing spare copies of Agendas for the Public at Committee Meetings. The mod.gov app is available to download for free from app stores for electronic devices.
