## ESSENTIAL REFERENCE PAPER 'A'

<p>Contribution to the Council's Corporate Priorities/ Objectives</p>	<p>Effective use of the scrutiny process contributes to the Council's ability to meet two core objectives:</p> <p><b>Fit for purpose, services fit for you</b>  <i>Deliver customer focused services by maintaining and developing a well managed and publicly accountable organisation.</i></p> <p><b>Leading the way, working together</b>  <i>Deliver responsible community leadership that engages with our partners and the public.</i></p> <p>In monitoring the performance of the council's services and action plans, the Committee is monitoring the Council's achievement of all of its corporate objectives.</p> <p>Any additional issues identified for scrutiny will relate to at least one of the Council's corporate objectives.</p>
<p>Consultation:</p>	<p>Potential topics for scrutiny are always invited from members of the public, the Executive and all Members.</p>
<p>Legal:</p>	<p>According to the Council's constitution, the scrutiny committees are responsible for the setting of their own work programme in consultation with the Executive and in doing so they shall take into account wishes of members on that committee who are not members of the largest political group on the Council.</p>
<p>Financial:</p>	<p>Any additional meetings and every task and finish group has resource needs linked to officer support activity and time for officers from the services to make the required input.</p>
<p>Human Resource:</p>	<p>none</p>
<p>Risk Management:</p>	<p>Matters which may benefit from scrutiny may be overlooked. The selection of inappropriate topics for review would risk inefficient use of resources. Where this involved partners, it could risk damaging the reputation of the council and relations with partners.</p>
