RESOLVED – that the report be received.

670 SERVICE PLANS 2012/13

The Leader of the Council submitted a report setting out planned service activity for 2012/13. He referred to the comments submitted by the joint meeting of Scrutiny Committees held on 14 February 2012, and stated that the Executive accepted these. He referred to the need for more measurable outcomes to be identified and encouraged Officers to look at a more focussed approach.

Councillor M Wood referred to previous comments he had made at other meetings in respect of leaf clearance and the impact this had on the elderly. He reiterated his request that greater priority be given by Officers to addressing the issues he had raised.

The Leader reminded Members that the District Council did not have primary responsibility for this issue and that Officers should be encouraged to work with partners. He suggested that, if there were particular problem locations, these should be referred to the relevant Executive Member. The Leader stated that resources were targeted at problem locations.

In response to a question by Councillor N Poulton, the Leader commented that Officers could look at how leaf collection was dealt with in rural locations.

In response to a question by Councillor N Symonds relating to the establishment of Friends of Waytemore Castle, Councillor C Woodward stated that this had been a County Council initiative and that he would make further enquiries.

The Executive approved the recommendations as now detailed.

671 RESIDENTS SURVEY 2010 ANALYSIS AND ACTION PLAN

The Leader of the Council submitted a report detailing the results of the 2011 Residents Survey. He summarised the main findings and suggested that more detailed analysis should be undertaken, in order that a better understanding could be achieved. To this end, he proposed that a small informal Member working group be established to develop an action plan around the priorities identified for further investigation.

The Leader also referred to the comments submitted by the joint meeting of Scrutiny Committees held on 14 February 2012, which in the main, the Executive supported. Councillor D Andrews, as the Chairman of that meeting, highlighted the enthusiasm of Members for further investigation into the choice based lettings scheme and giving greater emphasis on the awarding of points on a more local basis than the District level.

Some Members commented that the findings showed a generally high satisfaction rating with the Council. It was agreed to record Members' thanks and appreciation for the hard work of staff in achieving such successful results.

The Executive Member for Finance commented on the methodology used in the Survey and suggested that the

working group could also look at options for future surveys. This was supported by the Executive.

The Executive approved the recommendations as now detailed.

RESOLVED – that (A) the ORS Residents Survey and the comments of the joint meeting of Scrutiny Committees be received;

(B) a small number (possibly 4 or 5) priority areas for further investigation / action by Officers be identified; and
