1.0 Background

1.1 Items previously required, identified or suggested for the Environment Scrutiny work programme are set out in **Essential Reference Paper B**.

2.0 Report

2.1 An article explaining the role of scrutiny and inviting suggestions from residents was published in the spring 2012 'council tax' edition of LINK magazine. No new topics for scrutiny have been received from the public to date.

2.2 The Executive member for economic development and lead officers have asked if the committee would accept a new report onto the agenda for 13 November 2012. Following the council's decision in 2011 regarding the potential use of vehicle removal and the use of mobile cameras as part of parking enforcement, this new report will seek the views and support of members regarding the guidelines for such use in support of 'safety and the efficient movement of traffic' within East Herts.
