

## COUNCIL – 26 SEPTEMBER 2012

### MEMBERS' QUESTION

#### Question 1

Councillor P Ruffles to ask the Executive Member for Health, Housing and Community Support:

*This Council is in partnership with two other District Councils and with Hertfordshire County Council in seeking to develop local good practice in connection with the Ageing Well agenda. I've been pleased that some key initiatives have been taking place at the heart of the community I represent as County Councillor at Horns Mill Hertford. Mindful that successful Local Authority 'Ageing-Well' initiatives give benefit not only to individuals, but to our society as a whole, and also in the longer term will be able to ease otherwise inevitable pressures on the public purse, may I ask what further 'place' initiatives the Executive Member for Health, Housing and Community has; and whether she has plans to develop 'Ageing-Well' in the countryside as well as in our towns ... and for those in our community with a different ethnic and cultural background?*
