

COUNCIL – 12 DECEMBER 2012

PUBLIC QUESTION

Question 1

Mr J Horrax, Bishop's Stortford resident, to ask the Executive Member for Economic Development:

"Would Councillor Phillips like to take the opportunity to consider whether, given the lack of parking available in the Chantry permit scheme for residents of Rye Street to park close to their homes (defined as Lindsey Road, Rye Street and Stane Close) and the results of the community consultation which reported back at the end of September showing a severe negative impact on the residents of Rye Street, they might be allowed to re-use Grange Paddocks car park for no additional pay-and-display charges, as per the arrangements pre-pay-and-display, provided they have a valid parking permit?"
