<b>Data Source</b>
Financial Support and performance Services

EHPI 5.1 % of complaints resolved in 14 days or less.
<b>PI Definition</b>
'total number of complaints resolved during the period in 14 days or less by the Council' / 'total number complaints resolved during the period' x 100
<b>Data Source</b>
Information, Parking and Customer Service
<b>Other Guidance</b>
This indicator will enable the effectiveness of the Council's Complaints system to be monitored across the Council. This is a new indicator to monitor the effectiveness of our customer feedback process.

EHPI 5.2a % of complaints about the Council and its services that are upheld: 1st stage
<b>PI Definition</b>
'Total number of complaints upheld during the period by the Council / 'total number of complaints determined during the period by the Council (this is not the same number as those received as not all received are determined within the period monitored) x 100
<b>Data Source</b>
Information, Parking and Customer Service

<b>Other Guidance</b>
<p>This indicator has been established to show a negative impact when the Council has identified that it has failed to deliver a service it should have or that the way in which the service was delivered fell short of the service standards that we would expect. Previous indicators LPI 5.2a and 5.2b are deleted as they show as negative indicators when a complaint is resolved as opposed to whether the complaint was upheld and the Council made a mistake. Any customer has the right to complain but their appeal may not be upheld. This is a positive outcome for the authority.</p>
<p>EHPI 5.2b % of complaints about the Council and its services that are upheld: 2nd stage - appeal</p>
<b>PI Definition</b>
<p>'total number of complaints upheld during the period by the Council / 'total number of complaints determined during the period by the Council (this is not the same number as those received as not all received are determined within the period monitored) x100</p>
<b>Data Source</b>
<p>Information, Parking and Customer Service</p>
<b>Other Guidance</b>
<p>This indicator has been established to show a negative impact when the Council has identified that it has failed to deliver a service it should have or that the way in which the service was delivered fell short of the service standards that we would expect. Previous indicators LPI 5.2a and 5.2b are deleted as they show as negative indicators when a complaint is resolved as opposed to whether the complaint was upheld and the Council</p>

made a mistake. Any customer has the right to complain but their appeal may not be upheld. This is a positive outcome for the authority.

EHPI 5.4 % of complaints to the Local Government Ombudsman that are upheld

**PI Definition**

'Total number of complaints upheld (with maladministration) during the period by the LGO / 'total number of complaints determined during the period by the LGO (this is not the same number as those received as not all received are determined within the period monitored) x100

**Data Source**

Information, Parking and Customer Service

**Other Guidance**

This indicator has been established to show a negative impact when the Ombudsman has found maladministration with the authority in replacement of LPI 5.1a. Previous indicators LPI 5.1b to 5.1f are deleted as they show as negative indicators when the Ombudsman has received a complaint yet had not investigated or indeed found maladministration. Any customer has the right to appeal to the LGO but their appeal may not be upheld. This is a positive outcome for the authority.

The following performance indicators are being piloted during 2013/14. Details on definition will be available following the pilot phase:

- EHPI 9.1 Percentage availability of core systems during supported hours.
