Note: HCC is considering a scrutiny on the topic of parking on grass verges and obstructive parking on pavements. This has yet to be confirmed. If it does go ahead, there should be an opportunity for joint working &/or contributing evidence.

The four principles of good public scrutiny:

- ***provides ‘critical friend’ challenge to executive policy-makers and decision-makers***
- ***enables the voice and concerns of the public and its communities***
- ***is carried out by ‘independent-minded governors’ who lead and own the scrutiny role***
- ***drives improvement in public services***
