2.0 Report

2.1 Risk management can be defined as:

The process which aims to help organisations understand, evaluate and take action on all their risks with a view to increasing the probability of their success and reducing the likelihood of their failure. (Source: The Institute of Risk Management).

2.2 Managing threats and opportunities helps to create an environment of “no surprises” and the Authority is in a stronger position to deliver services in accordance with corporate priorities. By managing opportunities, it is better positioned to provide continuous improvement in its services and better value for money.

2.3 The following system of rating has been adopted:

Rating the potential impact if the risk was to occur using the following scores

- 4 **High** - Greater than £280,000 and / or national criticism and / or catastrophic fall in service quality
- 3 **Medium** - £140,000 to £280,000 and / or regional criticism and / or major long term fall in service quality
- 2 **Low** - £50,000 to £140,000 and / or long term local media criticism and / or minor long term or major short term fall in service quality
- 1 **Negligible** - Below £50,000 and / or short term local media criticism and / or short term fall in service quality

Rating the likelihood of occurrence using the following scores

- 4 **Probable** - The event is likely to occur within a year
- 3 **Possible** - The event is likely to occur within, or more than one in three years
- 2 **Unlikely** - The event could occur less frequently than every three years
- 1 **Rare** – The event could occur in exceptional circumstances

These scores are further assessed to classify whether risks are considered to be critical, caution, contingency or control.

2.4 The Strategic Risk Register, **Essential Reference Paper ‘B’**, has been updated to reflect controls implemented between October and December 2013. Scoring remains unchanged, with the exception of SR1. The impact rating has been lowered from 4 to 3 following the announcement of the finance settlement.

2.5 This information was presented to the Executive on 4 February 2014. There are no comments to relay.

2.6 All strategic and operational risks can be viewed on the Council's performance management system, Covalent ([www.covalentcpm.com/eastherts](http://www.covalentcpm.com/eastherts)).
