The four principles of good public scrutiny:

- ***provides ‘critical friend’ challenge to executive policy-makers and decision-makers***
- ***enables the voice and concerns of the public and its communities***
- ***is carried out by ‘independent-minded governors’ who lead and own the scrutiny role***
- ***drives improvement in public services***

**Environment
Scrutiny**

1. To develop policy options and to review and scrutinise the policies of the Council relating to planning policy, local development framework, Building Control, Planning Enforcement, Development Control, transport policy (concessionary fares and subsidised bus routes), Highways Partnership, parking and economic development, energy conservation, waste management, parks and open spaces, historic buildings, conservation – green agenda, Local Strategic Partnership and street scene.
