

EAST HERTS COUNCIL

AUDIT COMMITTEE – 16 JULY 2014

REPORT BY EXECUTIVE MEMBER FOR FINANCE

DRAFT STATEMENT OF ACCOUNTS 2013/14

WARD(S) AFFECTED: None Specific

Purpose/Summary of Report

- To advise Members of the structure, principles and contents of the accounts, in preparation for their consideration of those accounts subsequent to external audit.

RECOMMENDATIONS FOR AUDIT COMMITTEE:

That:

	the completion and authorisation for issue (by the Council's Director of Finance and Support Services) of the Council's 2013/14 accounts in line with statutory processes, be noted.

1.0 Background

1.1 The approval of the Council's Accounts is a statutory requirement. The Accounts and Audit Regulations 2011, which came into force on 31 March 2011, set out the current requirements for the production, approval and publication of a Council's annual Statement of Accounts.

1.2 These Regulations require the Accounts to be signed by the Council's Section 151 officer by 30 June following the relevant financial year and passed for audit before requesting approval from a relevant body of the Council (as defined in the Regulations) following audit and then published by 30 September. The Section 151 Officer in signing the accounts is required to certify that the accounts present a "true and fair view" of the financial position of the Council at the year end.

- 1.3 In line with the Council's Constitution, this Audit committee, as the relevant body, will have the benefit of receiving the External Auditor's report on the accounts prior to Member approval.
- 1.4 By presenting the report at this stage it affords Members an early opportunity of viewing and questioning the accounts.
- 1.5 A separate report elsewhere on the agenda deals with requirements for consideration and approval of the Council's Annual Governance Statement, which is required to be included within the Council's overall annual accounts.

2.0 Report

- 2.1 The Council's Chief Financial Officer (S151 Officer) has a statutory responsibility for the preparation of the Statement of Accounts. The accounts, accounting policies and compliance with the 2013 Code of Practice on Local Authority Accounting have been agreed by the Director of Finance and Support Services (as S.151 Officer). The Statement of Accounts was certified as presenting a true and fair view of the financial position of the Council at 31 March 2014 on 27 June 2014.
- 2.2 The Statement of Accounts is attached at **Essential Reference Paper "B"**.
- 2.3 In the wider interest of transparency and public accountability it is also intended that the accounts will be made available on the Council's website but clearly marked DRAFT and SUBJECT TO AUDIT. This will ensure an early opportunity for the public to consider the accounts prior to the statutory period for inspection.
- 2.4 The Committee will be aware that, since 2010/11, the accounts have been produced in line with International Financial Reporting Standards (IFRS). The move to IFRS has seen significant changes to both the format and presentation of the accounts.
- 2.5 It is intended that the draft accounts be used as the basis of providing Members with an overview of the key financial statements and any specific issues and changes to accounting and reporting requirements for 2013/14.
- 2.6 It is intended to provide Members with a further report on the accounts at the September 2014 meeting when formal approval

will be sought. Hopefully, the presentation of the unaudited accounts at this meeting will be of assistance to Members in asking questions on the accounts in September.

3.0 Implications/Consultations
