EHPI 204 Planning appeals allowed
<b>PI Definition</b>
<p><i>Definition</i> This indicator is concerned only with planning applications where the local planning authority refused planning permission. It does not include planning appeals against conditions or non-determination. The calculation also excludes all other applications types of appeal e.g. Advertisement Appeals, Enforcement Appeals, and Lawful Development Certificate appeals</p> <p>The indicator should include decisions where the date of decision falls within the year in question. The indicator is based on data that is already available from the Planning Inspectorate (PINS). As with partially allowed appeal must be counted as an allowed appeal.</p>

The denominator should include all planning appeals where the authority refused planning permis Appeals should only be counted if the date of the Planning Inspector or Secretary of State's decision is within the year in question, regardless of when the appeal was lodged. The numerator should count only appeal decisions where the appeal against refusal was allowed.

**Good performance**

Good performance is typified by a lower number of planning appeals allowed against the authority's decision on a planning application.
