REPORT BY LEADER OF THE COUNCIL

EAST HERTS DRAFT DISTRICT PLAN – CHAPTER 18 – COMMUNITY FACILITIES, LEISURE AND RECREATION: RESPONSE TO ISSUES RAISED DURING PREFERRED OPTIONS CONSULTATION, FURTHER AMENDMENTS AND DRAFT REVISED CHAPTER

WARD(S) AFFECTED: ALL

Purpose/Summary of Report

The purpose of this report is:

- To bring to Members' attention the issues raised through the Preferred Options consultation in connection with Chapter 18 (Community Facilities, Leisure and Recreation) of the Draft District Plan Preferred Options version, together with Officer responses to those issues;
- To explain to Members why further amendments to Chapter 18 (Community Facilities, Leisure and Recreation) are required to ensure that the final draft District Plan reflects the most up-to-date policy position and the latest available evidence;
- To place before Members for consideration a draft revised chapter, for subsequent incorporation into the final draft District Plan.

RECOMMENDATIONS FOR DISTRICT PLANNING EXECUTIVE PANEL: That Council, via the Executive, be advised that:

(A)	the issues raised in respect of Chapter 18 (Community Facilities, Leisure and Recreation) of the Draft District Plan Preferred Options, as detailed at Essential Reference Paper 'B' to this report, be received and considered;
(B)	the Officer response to the issues referred to in (A) above, as detailed in Essential Reference Paper 'B' to this report, be agreed;

(C)	the further amendments in respect of Chapter 18 (Community Facilities, Leisure and Recreation) of the Draft District Plan Preferred Options, as detailed at Essential Reference Paper 'B' to this report, be received and considered; and
(D)	the draft revised Chapter 18 (Community Facilities, Leisure and Recreation), as detailed in Essential Reference Paper 'C' to this report, be agreed as a basis for inclusion in the final draft District Plan, with the content being finalised when the consolidated plan is presented in September 2016.

1.0 Background

1.1 The Council published its Draft District Plan Preferred Options for consultation for a period of twelve weeks between 27th February and 22nd May 2014. Several thousand comments were received through the consultation exercise from over a thousand stakeholders including statutory consultees and members of the public.

1.2 In order to manage these comments, the Council's agreed approach, as set out in its Statement of Community Involvement (October 2013), is to summarise the issues raised through the consultation and record how these issues have been used to inform the next draft of the District Plan.

1.3 This report presents a draft revised chapter on Community Facilities, Leisure and Recreation for subsequent incorporation into the final Draft District Plan. **Essential Reference Paper 'B'** contains the Issues Report and **Essential Reference Paper 'C'** the draft revised chapter.

2.0 Report

2.1 The Issue Report is split into two parts. The first part summarises the issues raised through the Preferred Options Consultation. The issues are grouped according to the section of the Draft Plan they relate to. The table presents an officer response to each issue and then sets out any subsequent proposed amendments to the text or policies of the draft Plan. These proposed amendments are shown in the form of a 'track change' so that readers can clearly see what amendments are being proposed.

- 2.2 The second part of the Issue Report details any further amendments that are required to ensure that the final draft District Plan reflects the most up-to-date policy position and the latest available evidence.
- 2.3 Members will be aware that a report to the District Planning Executive Panel on 8 December 2014 previously considered issues raised in respect of the draft Community Facilities chapter at the Preferred Options Consultation stage and also the proposed officer response to each issue, along with a proposed draft revised Chapter. However, since that time, further feedback has been received from Sport England and other Council departments, which have necessitated a review of some of previously proposed responses to ensure the most up to date and accurate picture going forward.
- 2.4 The Council is currently undertaking a new Open Spaces, Sport and Recreation Assessment which will inform the Council's approach to the provision of such facilities. While it is anticipated that the open space standards element of the assessment will not be available until after the consolidated Plan is presented to Members in September 2016, sufficient flexibility has been built in to the chapter to recognise this and requires applicants to refer to the Council's most up-to-date evidence. The Assessment is being prepared in collaboration with Sport England who have advised that the revised standards and strategies arising from the work can be contained in a Supplementary Planning Document supporting the District Plan. This provides the flexibility to update these standards independently of the whole Plan.
- 2.5 Members are therefore invited to agree the draft revised Chapter 18 (Community Facilities), as detailed in Essential Reference Paper 'C' to this report, as a basis for inclusion in the final draft District Plan, with the content being finalised when the consolidated plan is presented in September 2016.
