------------	--

1 Background

1.1 The Annual Governance Statement Action Plan has identified key responsible officers and timescales and is monitored through reports to this Committee. Actions needed to address issues have been identified and are monitored on a Red, Amber and Green (RAG) basis.

2 Report

2.1 For the purposes of the Annual Governance Statement, internal control is being interpreted in its broadest sense covering both financial and management controls that ensure that the implementation of East Herts Council's vision and priorities is being managed effectively.

2.2 Position statements are reflected in **Essential Reference Paper 'B'** following consultation with key responsible officers. The position statement contains a traffic light system whereby:

- "Green" indicates that the planned action has been achieved,
- "Amber" indicates that satisfactory progress is being made towards achieving the planned action, and
- "Red" is where a planned action has not been achieved or that progress is unsatisfactory.

2.3 The Annual Governance Statement Action Plan was approved by the Audit and Governance Committee on 21 September 2016.

2.4 This is the first position statement report since approval of the Annual Governance Statement. Current positions have been reflected and a RAG status is shown against each action.

Implications/Consultations

3.1 Information on any corporate issues and consultation associated with this report can be found within **Essential Reference Paper 'A'**.
