IMPLICATIONS/CONSULTATIONS

Contribution to the Council's Corporate Priorities/ Objectives: 2016/17 wording	Priority 1 – Improve the health and wellbeing of our communities Priority 2 – Enhance the quality of people's lives Priority 3 – Enable a flourishing local economy Effective use of the scrutiny process contributes to the Council's ability to meet one or more of its corporate objectives.
Consultation:	Potential topics for scrutiny are always invited from the Executive and all Members and the public are asked through an annual item in the 'council tax' edition of LINK magazine which is delivered to every household. Members of each scrutiny committee are consulted at every meeting as their work programme is a standing item on the agenda.
Legal:	According to the Council's constitution, the scrutiny committees are responsible for the setting of their own work programme in consultation with the Executive and in doing so they shall take into account wishes of members on that committee who are not members of the largest political group on the Council.
Financial:	Any additional meetings and every task and finish group has resource needs linked to officer support activity and time for officers from the services to make the required input.
Human Resource:	None
Risk Management:	Matters which may benefit from scrutiny may be overlooked. The selection of inappropriate topics for review would risk inefficient use of resources. Where this involved partners, it could risk damaging the reputation of the council and relations with partners.
Health and wellbeing – issues and impacts:	The broad remit of scrutiny is to review topics which are of concern to the public, many of which have an indirect impact on the general wellbeing of residents of East Herts. The Health and Wellbeing Scrutiny Committee is set up to specifically focus in on issues and topics which have a direct and immediate impact on the health and wellbeing of all those who live, work or study in the district.
