Notes	
Line 4	Although planning permission expired in April 2016 it is likely it would have been granted further time if applied for
Line 5	An unauthorised extension of which the LPA was unaware
Line 7	The car park that is the subject of this planning application
Columns b-d	Prevailing up to 18 March 2017 when the Third Party car park was closed
Columns e-f	The situation if the current planning application is approved without a restriction on the overall number of spaces
Column g	If the temporary car park is restricted, the number of cars accessing spaces via Anchor Street would be 636.
Cells b8 & c8	The applicant's survey showed only 689 spaces were in use on a typical weekday
