Dear [REDACTED]

I refer to the application in respect of the above and I am now able to confirm my client's position having taken further instructions.

My client would now wish to reduce the standard timings for licensable activities and opening hours on Fridays and Saturdays as follows:-

- All licensable activities from 09:00 until 23:45 hours.
- Opening hours to the public from 09:00 until midnight.

On the basis of the reduction in hours as above and the primary purpose of the operation of the business being a ten pin bowling alley, my client would be happy to agree to the attached schedule of conditions.

It is considered that the attached schedule reflects an appropriate and proportionate set of conditions for the style of operation of the business.

You will note from the schedule that my client has agreed to reduce the time that the outdoor terrace is to be used to 22:00 hours with the exceptions set out in the condition.

If you have any queries, please do not hesitate to contact me.

Kind regards
