#### **Question 2**

Mr Chris Wilson, Bishop's Stortford Mrs Mione Goldspink, Bishop's Stortford, to ask the Executive Member for the Environment and the Public Realm:

*What plans are there to test levels of air pollution at the Hockerill crossroads and to extend the testing area to roads adjoining the existing Air Quality Management Area (AQMA). In addition, are there any plans to enforce anti-idling legislation in Bishop's Stortford to limit the levels of pollution, particularly around schools near to the present AQMA.*

#### **Question 3**

Mr Terence Beckett, Bishop's Stortford to ask the Leader of the Council:

*Several Councils across the country have levered monies from central government to enable the provision of affordable and social housing. But, it's apparent that here in East Herts the current housing schemes will fall woefully short of providing sufficient affordable and social housing. Has the council given any thought of building their own provision of such housing on land provided by the developers and if not will they look into the possibility of doing so to meet the needs of the town and district?*
