Purpose/Summary of Report

RECOMMENDATION FOR DECISION BY JOINT SCRUTINY COMMITTEES:		
	T

(A) The attached service plan activity for 2011/12 be agreed.

1.0 Background

- 1.1 East Herts uses an integrated service planning and financial management framework to ensure that all services deliver the Council's corporate priorities.
- 1.2 Service Plans are produced every year by Heads of Service and set out what key actions need to be undertaken to deliver the corporate priorities and key objectives, in line with the budget. These actions are linked to key performance indicators, so that achievement can be measured and tracked.

2.0 Report

- 2.1 All service plans have been checked to ensure compliance with the service planning guidance and all sections have been completed. For ease, only Table 3a, which set out the key actions for each service, has been detailed in **Essential Reference**Paper 'B'. The rest of the service plan, which largley contains contextual information about the service, will be published on the Council's intranet to support Table 3a.
- 2.2 Overall, the actions detailed reflect the Consolidated Budget report that was presented to Joint Scrutiny Committees on 18 January 2011 and Executive on 8 February 2011.
- 2.3 The 2011/12 Service Plan activity will be monitored on six monthly basis but will be reported to the relevant Scrutiny Committee for each service (like the Corporate Healthcheck report), rather than all twelve being reported to Corporate Business Scrutiny.
- 3.0 <u>Implications/Consultations</u>
- 3.1 Information on any corporate issues and consultation associated with this report can be found within **Essential Reference Paper** 'A'.
