

COUNCIL – 23 OCTOBER 2019

PUBLIC QUESTIONS

Question 1

Bailey Nash-Gardner to ask the Executive Member for Environmental Sustainability:

What steps have East Herts Council taken so far in response to the climate change declaration at the last Council meeting on 24th July?

Question 2

Jill Goldsmith to ask the Executive Member for Environmental Sustainability:

What has the Council done to examine whether its current District Plan includes the very best measures to help the District become carbon neutral by 2030 and more specifically has it examined whether and to what timescale it could revise the Climate Change chapter in the Plan or agree a Supplementary Planning Document to deliver its commitment in its Climate Change motion?

Question 3

Joe Thomas to ask the Executive Member for Communities:

What is the Council doing in order to ensure that young people's voices are being listened to and taken into consideration when decision making?

Question 4

Daniel Chichester Miles to ask the Leader:

What has the Council done to engage with the new owners of Bircherley Green to ensure that the heart of Hertford has a vibrant town centre?
