

## COUNCIL - 23 OCTOBER 2019

### MEMBERS' QUESTIONS

#### **Question 1**

Councillor N Symonds to ask the Executive Member for Planning and Growth:

With all the new developments going up in East Herts are we sticking to 40% social housing and not deviating from it regardless of pressure from the developers who often wriggle and squirm not to fulfil that percentage?

#### **Question 2**

Councillor D Hollebon to ask the Executive Member for Wellbeing:

How he intends to build on the successes of the Community & Wellbeing Forum?

#### **Question 3**

Councillor A Huggins to ask the Executive Member for Neighbourhoods:

What steps has the Council made to implement the Armed Forces Covenant and how are the effects of these actions being monitored?

#### **Question 4**

Councillor M Goldspink to ask the Executive Member for Environmental Sustainability:

What progress is this Council making in the setting up of a District Environment and Climate Forum?

This Forum is designed to bring together all the excellent Community Groups so that they can share their knowledge and ideas with each other and with the Council.

#### **Question 5**

Councillor C Redfern to ask the Executive Member for Neighbourhoods:

The proposed Supplementary Affordable Housing Planning document published in the agenda clearly sets out the proportion of affordable housing planned for our district.

There is no mention of Social Housing anywhere in the document. In view of the many households awaiting social housing on our Housing Needs Register, what is our District Council proposing to do to alleviate this need?
