

COUNCIL – 23 OCTOBER 2019

AMENDMENT TO RECOMMENDATION

HERTFORD THEATRE GROWTH AND LEGACY SCHEME - ITEM 12

The project seeks to provide a valuable community asset, and this development should have the ethos of a project that is delivered, ultimately, to benefit the residents of Hertford and the surrounding area.

In order to ensure the Council recognises the importance of amateur and not for profit groups within our community and to ensure that the theatre remains affordable and accessible to these groups following the refurbishment of this theatre, it is proposed that the motion be amended to add the following wording as Recommendation (B):

“(B) the hire rates for all amateur and not for profit groups who wish to use the theatre will be capped at the current rate, and will only increase in line with inflation.”
