

East Herts Council Report

Overview and Scrutiny Committee

Date of Meeting: 8 December 2020

Report by: Scrutiny Officer

Report title: Overview and Scrutiny Committee – Draft Work Programme

Ward(s) affected: All

Summary

- This report reviews actions included in the committee's existing Work Programme and seeks Members' views on any proposed amendments to the ongoing Work Programme.

RECOMMENDATION FOR OVERVIEW AND SCRUTINY COMMITTEE, that:

(A) The proposed Work Programme, as included in Appendix A, be approved.

1.0 Proposal(s)

1.1 Items previously required, identified or suggested for the Overview and Scrutiny (OS) Work Programme as set out in **Appendix A**. The Appendix is now presented as a consolidated report to include those issues for consideration by Audit and Governance Committee. It was felt that consolidating the work of both Committees in one report would give all Members of both committees a better perspective from the viewpoint of scrutiny.

1.2 Scrutiny committees have the power of influence and are

entitled to review and scrutinise the functions of the Council and the decisions of the Executive. The Committee serves as a 'critical friend' and is not a decision-making body but can make recommendations to the Executive and who must respond formally to recommendations within a given timeframe.

2.0 Background

- 2.1 The draft agenda for 2020/21 meetings of Overview and Scrutiny Committee and Audit and Governance Committee is shown in **Appendix A**. The timing of some items shown may have to change depending on availability of essential data (e.g. from central government) external sources and officers.
- 2.2 Members are reminded that for a topic to be valid for Scrutiny it needs to be relevant to the work of the council and impact on a number of residents / or the wider area. In addition, there needs to be evidence, whether readily quantifiable or anecdotal, that this is an issue requiring investigation.
- 2.1 Members are welcome to submit a scrutiny proposal at any time by completing a Scrutiny Proposal Form (Available from the Scrutiny Officer) which will provide officers with sufficient information to assess if it is appropriate for Scrutiny and to ensure their specific questions are addressed. The Scrutiny Officer will then liaise with officers and the Scrutiny Chairman to consider the best way to address the subject and complete a scoping document.
- 2.2 Members are also asked whether there is any training relevant to scrutiny or to the function and remit of the OS Committee that they wish to suggest.
- 2.3 Members are asked to note that while the agenda for this meeting and the draft work programme is limited in terms of items for consideration, the Chairman and Vice Chairman of both O&S and A&G will meet with the Leader and Deputy Leader on 2 December to review both work programmes in

the context of the Council's Forward Plan. Having said, Appendix A has a number of reports for consideration "Looking Forward to 2021". A further update following this meeting will be provided by the Scrutiny Officer.

- 2.4 On 3 December, the Centre for Governance and Scrutiny will be holding a Workshop for Members of both Audit and Governance and Overview and Scrutiny Committees to review the final report following a review of scrutiny at East Herts in March 2020. The Workshop will provide Members with an opportunity to deliberate the contents of the report and on their final recommendations.

3.0 Reason(s)

- 4.1 This report provides an update on the current situation in relation to issues raised by Members.

4.0 Options

- 5.1 The Work Programme will be kept under review by the committee throughout the coming year.

5.0 Risks

- 6.1 The establishment of an Overview and Scrutiny Committee is enshrined in the Local Government Act 2000 (section 9). The 2000 Act obliges local authorities to adopt political management systems with a separate Executive. Various sub sections (of the 2000 Act), set out the powers and duties for Overview and Scrutiny Committees including the right to investigate and make recommendations on anything which is the responsibility of the Executive. Legislative provisions can also be found in the Localism Act 2011 (Schedule 2) with options to retain or re-adopt a "committee system" (section 9B).

- 6.2 Potential risks arise for the council if policies and strategies are

developed and/or enacted without sufficient scrutiny. Approval of an updated Work Programme contributes to the mitigation of this risk by ensuring key activities of the council are scrutinised.

6.0 Implications/Consultations

- 7.1 Scrutiny is an important part of the local democratic process and represents the interests of residents. It holds the Executive to account on behalf of residents and helps review and improve services and functions run by the Council and its local partners.
- 7.2 The proposed Work Programme has implications for Members' time and the resources of the council devoted to scrutinizing the issues included.
