Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

All operations will be carried out in conjunction with a comprehensive Management Plan, attached to the applications concerned all aspects and elements of the Event's activities both licensable and other.

All staff and workers operating on the site are recruited for their specialist skill-sets, or sourced from a suitable, credible agency or provider specialising in that area, and are briefed and receive site-specific training prior to any works.

A comprehensive Management Team consisting of 8 Senior Managers will be allocated to the event and will be available on-site during all hours covered by the Premises Licence.

A Risk Assessment is produced for the Event, the crowd management of it's attendees and each individual activity by workers, employees or contractors within the premises and other spaces utilised to support the licensable activities taking place. All Control Measures determined by this Risk Assessment are incorporated into an Action Plan which is fully implemented by the Senior Management Team.

A minimum of 4 Personal Licence Holders will supervise staff providing sale of alcohol during all licensable times to ensure sufficient enforcement of Responsible Sale of Alcohol Policies and Mandatory Licensing conditions.

b) The prevention of crime and disorder

The Premises are accessible only by Ticket Holders.

A suitably sized team of SIA Licenced Security Personnel are deployed within the premises to maintain a safe environment at all times.

The Event has clear and comprehensive terms and conditions which set out various measures to maintain a safe environment within the site (including but not limited to Drugs policies, Prohibited items Policies, Search policies etc).

A strict search procedure is maintained and applied to any and all persons accessing the site ensuring that no weapons or other items which could cause harm can be brought into the premises.

Body Worn CCTV is used 24/7 throughout the licensed period by the Security Team to deter crime and disorder and capture evidence of any persons involved in undesirable activities. At any one time, a minimum of 8 Body Worn Cameras will be deployed.

Vetting of staff working at the event minimises the risk of any crimes committed within working environments.

The Event has a Security policy which identifies key risks and concerns in relation to Terrorism and identifies suitable control measures to manage this risk as far as is possible.

Further information relating to Applicant's control measures in relation to Crime and Disorder can be obtained within the Event Management Plan

c) Public safety

A Risk Assessment is produced for the Event, the crowd management of it's attendees and each individual activity by workers, employees or contractors within the premises and other spaces utilised to support the licensable activities taking place. All Control Measures determined by this Risk Assessment are incorporated into an Action Plan which is fully implemented by the Senior Management Team.

A competent contractor has been appointed to review all road access and egress from the Premises, a suitable Traffic Management Plan has been produced and full narrative and schematics are contained within Section 10 of the Event Management Plan.

A large team of SIA licensed Security Personnel and NVQ trained Safety Stewards are deployed throughout the event, this team is trained, briefed and aware of both the need to identify any hazards which may present a safety risk to any persons

Continued from previous page...

and the correct reporting procedure to escalate any concerns for resolution.

The capacity of the premises will be set at 4,999 persons; for whom there is more than ample resources on site in relation to safety, crowd management, sanitation, emergency egress etc.

All Electrical Installations are installed by a competent person as set out in BS7909 and then further inspected by both the Event Manager and a secondary Competent Person prior to the Premises opening.

All Electrical Appliances utilised on site have a current and valid PAT test.

Further policies in relation to Public Safety can be found in the Event Management Plan.

A competent Medical Contractor has been appointed by the Applicant and will be present throughout all licensable activities to provide medical attention via clinically trained professionals to any persons requiring medical attention.

d) The prevention of public nuisance

A competent contractor has been appointed to review all road access and egress from the Premises, a suitable Traffic Management Plan will be produced and full narrative and schematics are contained within the Event Management Plan. These will be finalised and further detail added in conjunction with SAG co-operation.

A competent contractor has been appointed to review all risks relating to noise pollution and noise management from the amplified music on site. This contractor has an extensive background and qualification set in relation to Noise Management and Noise Pollution. Their recommendations are set out in the Event Management Plan and have been accepted in full by the Applicant to be implemented throughout the event. Final requirements as directed by conditions attached to the licence will be incorporated in a final Noise Management Plan which will be implemented and monitored throughout licensable times by the same Noise Management contractor.

The Applicant employs and will utilise throughout and after the event a Cleansing Team who will remove litter and waste from both the Premises and nearby areas utilised by attendees in accessing or egressing the event. The Event operates a "Leave No Trace" Policy and will return the Premises and adjacent areas to exactly the condition prior to Licensable Activities.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
