Notes:

Members will note the new format of the Consolidated Work Programme. It was felt that by combining both work programmes might provide Members with a better insight into the issues to be considered by both committees and respective timeframes and so aid the process of scrutiny. Additionally, Members should note that the Chairman and Vice Chairman of both Committees are now meeting quarterly with the Leader and Deputy Leader

to consider both work programmes in the context of the Council's Forward Plan to facilitate better scrutiny and review where necessary.

Members are actively encouraged to review the Council's Forward Plan which details the decisions the Executive (and Council) will be taking over the next three months. The Centre for Governance and scrutiny has recommended that early involvement with the decision making process (and before decisions are taken) is good practice. Only decisions which are taken by the executive can be called in.
