### Update on current position

it will manage public finances going forward. It is likely that a new phase of austerity may well follow and central funding for district councils is likely to be limited or reduced. The government may well change the local taxation system by abolishing Business Rates and Council Tax and replacing it with some other form of property related or land value taxation. The Government may also decide to impose reorganisation on local government to reduce the number of Councils significantly.

- Leadership Team and Service Managers have looked at agile working proposals and validated the likely maximum number of desks required going forward. Indicative figures at this stage indicate that Wallfields is ~~not suitable~~ too large for our requirements and officers are now exploring options around sharing space with HCC tenants or whether relocation elsewhere would produce greater savings.
- Transformation Programme vision, benefits realisation classifications, work streams and new digital by default customer journey ethos due for Executive validation during May with all Member briefing session to be programmed in.
- Savings plans for 2021/22 is on target with garden waste sign up being on budget assumption with a high on-line sign up of 92.5% and direct debit payments at 82%
- Corporate policy on charging to be developed to ensure consistency across charges – there have been a number of below cost charges agreed with no clear policy or justification in the past that are having to be dealt with as part of aligning charges with North Herts for joint commercial waste services.
- Grange Paddocks and Northgate End construction work is underway.
- Hartham contract awarded and within budget in February with works commencing on site late March.
- Old River Lane /Arts Centre change in scope progressing and due to return to approved by Council in March alongside the n-March to sign-off business plan. Development Agreement and Development Management Agreement draft approaching completion in April with s.151 officer and monitoring officer input.
- Hertford Theatre due to commence later in 2021.

### Update on current position

2

- Rydon's report that there is a national shortage of bricklayers which may affect Northgate End redevelopment timescales although they are confident they can resolve the issue. This situation seems counter intuitive since ONS issued statistics showing 64% of bricklayers were furloughed and their wages fell by 8%. Officers shall continue to monitor the situation and seek to understand the situation but as bricklayers are considered a high vulnerability job, as it cannot be done remotely and therefore has a high risk of infection, there is perhaps a reluctance to come off furlough until they have been vaccinated.
- As at 12 December 7,200 individuals with an East Herts address had applied for Settled Status. This indicates a strong appetite for EU citizens to remain in the district.
- Officers are considering the lessons from how the Council has been able to operate during the pandemic. It is evident that working from home is possible on a greater scale and this will have implications for our future accommodation needs and reduce travel leading to lower carbon emissions
- Council is actively targeting food waste reduction. The Climate Change Committee say that for the UK's next carbon budget food waste must be reduced by 75% i.e. the vast majority of carbon emissions are from the production and transportation of food that is wasted. The UN report on food waste said that almost a billion tons of food was wasted and led to carbon emissions that if it were a country, would be third behind the USA and China
- ~~As at 4th January only 32 individuals in EH had made use of the digital skills scheme however we anticipate referrals will increase once furlough schemes come to an end.~~
- ~~Dayton Bell has been awarded the business support contract and the project was officially launched on 4th January.~~
- 2 stage approach to mitigating recession following COVID-19: In the first lockdown the council supported over 2,200 businesses with £30m of government funded grants and £18m of reliefs. A further £6.8m has been paid out since November through different government grant schemes and a further 600 businesses have benefitted on top of the 2,200 above.
- £132,000 of ERDF funding has been allocated to support safe re-opening of High Streets and has covered work such as traffic management on high streets to encourage social distancing. Due to the second national lockdown retail businesses are again facing significant challenges and our most recent response has been to introduce a shop local campaign focused on on-line buying and takeaways / click and collect services. [The funding was also used to](#)

**Update on current position**

[purchase hand sanitisers in town centres and planters to replace temporary traffic barriers.](#)

- Council also commissioned a new service with Broxbourne Borough Council and the CVS to support newly unemployed residents get back into work by supporting them with digital skills such as interviewing over Zoom and MS Teams. Service launched 5th October 2020. [As at 31 March 2021, 41 individuals had made use of the scheme.](#)

3

- January's report showed that:
  - 3,298 spam emails were blocked out of 248,920 received.
  - 19 impersonation attempts were blocked.
  - 20 emails containing malware were blocked.
- A dedicated GDPR/Data Protection Officer has been recruited and has taken up the post.
- Recent weekend shutdowns have enabled the disabling of old technology that was no longer supported or updated. New firewalls and switches have been installed and although slightly behind due to resourcing issues, all major projects are progressing well.
- A small agile working group has been established and is currently working to develop a trial partial reopening of the Wallfields office in April. We are working towards the Government dates and will review in line with any guidance or changes that emerge. The office has been assessed to ensure it is meeting current COVID guidance.
- ~~November's report showed that:~~
  - ~~3,752 spam emails were blocked~~
  - ~~7 impersonation attempts were blocked~~
  - ~~14 emails containing malware were blocked.~~
- ~~Digital By Design is continuing to progress improved online interactions with the public. We are waiting on the results of the recent webchat trial. Online forms have been developed and added to the website in record time to enable businesses to claim government grants during the pandemic. We are starting to review the benefits and challenges that agile working has brought in order that we can harness where improvements have resulted.~~

**Update on current position**

- Planning in East Herts is therefore ‘plan-led’ rather than ‘developer-led’.
- The majority of strategic sites now have an agreed Masterplan.
- Following the Housing Delivery Test results in January, the Council has maintained the minimum 5% buffer and therefore can demonstrate a five year land supply in excess of 6 years.
- The Council has also continued its trend of annual improvements on the Housing Delivery Test, this year being able to demonstrate a 104% delivery rate meaning that the Council is meeting its housing need and addressing the undersupply of previous years as well.
- A total of 994 dwellings were completed in 2020/21. Of these, 326 were affordable homes which represents 32.8% of all completed dwellings in the district.
- To be effective plans need to be kept up-to-date. The National Planning Policy Framework states policies in local plans, should be reviewed to assess whether they need updating at least once every 5 years, and should then be updated as necessary. Officers are currently considering whether a review of the District Plan is required.

11	B 2	Internal control	Failure of internal control or unethical behaviour	<ul style="list-style-type: none"> <li>• Qualified accounts</li> <li>• Possible Police involvement if fraud involved</li> <li>• Major media engagement</li> <li>• Reputational damage</li> <li>• Increased costs as a result of loss or fine or compensation payments</li> </ul>	Head of Strategic Finance and Property	<ul style="list-style-type: none"> <li>• Key reconciliations carried out regularly.</li> <li>• Internal audit work planned and undertaken on key areas.</li> <li>• Assurance Mapping</li> <li>• Electronic workflow where controls much harder to circumvent</li> <li>• Separation of duties appropriate to the staffing numbers</li> </ul>

**Update on current position**

11  

- Audits remain mostly on track and there is sufficient audit scope for an assurance opinion to be given
- Assurance Mapping approach to be introduced which will show visually where assurance is gained and also identifies duplications and unnecessary steps which will inform officers undertaking lean process reviews and help Audit & Governance Committee to see where there are risks and then internal audit resources can be directed there.

No	Score	Vulnerability	Trigger	Consequence	Risk owner	Mitigation / control
12	A 4	Outbreak of disease in humans	Pandemic and/or Public Health Emergency Declared	<ul style="list-style-type: none"> <li>• Loss of staff and/or key skills due to illness and related absenteeism</li> <li>• Requirement to enable entire workforce to work from home</li> <li>• Requirement for Council and Committees to meet via video conference</li> <li>• Loss of income/additional costs</li> <li>• Loss of essential services /utilities/ suppliers</li> <li>• Demand from partner organisations to provide staff and other resources to support their response</li> <li>• Major media engagement</li> <li>• Disruption to all Council services</li> <li>• Increased risk of fraud from support programmes</li> </ul>	Head of Housing and Health	<ul style="list-style-type: none"> <li>• Business Continuity Plan</li> <li>• Emergency Plan</li> <li>• Dynamic risk assessments and keeping office open and COVID secure in line with government guidance.</li> <li>• Agile working introduced and scaled up to ensure social distancing</li> <li>• Fraud alerts on pandemic circulated by SAFS</li> </ul>
