<b>Question 1</b>	<b>Cllr Andrew Huggins to ask Cllr Jonathan Kaye, the Executive Member for Communities</b>
<p>As East Herts' champion for the Armed Forces I joined the Deputy Chairman and others, at County Hall to mark Armed Forces Day, which is a time to celebrate the incredible commitment and sacrifices made by our Armed Forces personnel and their families. Does the Executive Member for Communities agree with me that we in local government have a duty to these extraordinary people to uphold the Covenant and the newly enshrined Armed Forces Bill 2021?</p>	
<b>Question 2</b>	<b>Cllr Chris Wilson to ask Cllr Graham McAndrew, the Executive Member for Environmental Sustainability</b>
<p>This council has committed to be sustainable in all that we do. This, of course, includes the promotion of sustainable transport and modal shift. Can Cllr McAndrew detail why there has been such an extensive delay to the long-proposed and long-delayed cycle route from Rye Street through to Grange Paddocks, and what East Herts role has been in this delay. Can he commit to a date when this long-awaited cycle path will be constructed and in place as a much-needed alternative to the use of the car for existing and new residents of Bishop's Stortford and surrounding areas?</p>	
<b>Question 3</b>	<b>Cllr Norma Symonds to ask Cllr Jonathan Kaye, the Executive Member for Communities</b>
