LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

Anthropos Festival 2022 will be happening from the 8-12th of September 2022. The premises will be used for one event per calendar year for a total of five days with an intended capacity of over one thousand two hundred persons with a maximum capacity of two thousand persons.

All operations will be carried out in conjunction with a comprehensive Event Management Plan, attached to the applications concerning all aspects and elements of the Event's activities both licensable and other.

All staff and workers operating on the site are recruited for their specialist skill-sets, or sourced from a suitable, credible agency or provider specialising in that area, and are briefed and receive site-specific training prior to any works.

A comprehensive Management Team consisting of Senior Managers will be allocated to the event and will be available on-site during all hours covered by the Premises Licence.

A Risk Assessment is produced for the Event, the crowd management of its attendees and each individual activity by workers, employees or contractors within the premises and other spaces utilised to support the licensable activities taking place. All Control Measures determined by this Risk Assessment are incorporated into an Action Plan which is fully implemented by the Senior Management Team.

A minimum ratio of 1 Personal Licence Holder to 8 staff providing sale of alcohol is maintained during all licensable times to ensure sufficient enforcement of Responsible Sale of Alcohol Policies and Mandatory Licensing conditions Implementation of challenge 25 policy - ID of all customers who look 25 or under.

b) The prevention of crime and disorder

All activities within the Licensed Premises will be managed with a view to preventing crime and disorder by:

- Contracting a professional security firm to provide SIA Licensed Security staff and trained Stewards to ensure the event is both a safe and enjoyable experience for the public and local residents.
- Ensuring the risks of crime and disorder are properly considered and appropriate control measures put in place to mitigate these risks so far as is reasonably practicable.
- Ensuring appropriate numbers of Security staff are stationed at access / egress points and other appropriate static locations.
- Ensuring measures are in place to prevent open bottles or other drinks containers being carried into the Licensed Premises and by placing restrictions on glass bottles in all appropriate areas of the event
- Ensuring regular patrols are conducted to ensure compliance with all Licensing Conditions.

c) Public safety

The Public safety objectives of the event are:

- To maintain a safe environment for members of the attending public and staff / volunteers / artists working at the event
- To ensure the event venue is of sufficient capacity to safely accommodate event attendees, staff and artists and to ensure suitable and sufficient access control measures so as to ensure these numbers are not exceeded
- To monitor crowd movements, identify and deal promptly and effectively with any identified crowd control issues
- To facilitate a suitable and proportionate response to any serious incident, accident or nearmiss
- To provide formal guidance for all staff and volunteers as to the immediate and subsequent response protocols (Contingency Plans) in the event of any serious incident, accident or nearmiss

In order to achieve these objectives, the Promoter will:

- Adopt this EMP and ensure it is informed and expanded by pre-event safety checks and risk assessment processes.
- Follow the appended Contingency Plans as and when necessary

Risk assessment control measures will include but not be limited to:

Continued from previous page...

- Calculation of safe capacities, exit and emergency exit widths for the event and measures to ensure ticket sales / admission do not exceed safe capacity
- Monitoring of accurate numbers to the event site by event staff and provision of such numbers to the Licensing Authority or any other authority upon request and at any time
- Appropriate Security and Stewarding provision and deployment based upon comprehensive site survey and consideration of event and attendee profiles
- Appropriate medical provision in line with the Medical Risk Assessment

- Measures to ensure that all other legislative / regulatory requirements will be met e.g. concession registration with EH / equipment safety certification
- Arrangements for monitoring of risk assessment control measures and EMP implementation

d) The prevention of public nuisance

The Promoter will take measures to minimise any negative impact the event may have on the public and neighbours, so as far as is reasonably practicable. Consideration will be given to the following measures:

- Operating a zero-tolerance policy towards anti-social behaviour at the event with security deployed as appropriate
- Adopting measures to manage queuing outside the event boundaries as necessary
- Adopting measures to deal with the dispersal of visitors from the event as necessary, including the deployment of Security and where appropriate, notices at exits requesting visitors to respect the neighbours
- Adopting measures to clear and dispose of waste as soon as is reasonably practicable after the event
- Adopting measures to limit the noise emitted from the event where it is considered it may affect neighbours
- Ensuring the agreed event finish times are not exceeded without prior permission of the Licensing Authority.

e) The protection of children from harm

The Promoter will appoint a Designated Safeguarding Lead and develop a Safeguarding Plan to protect vulnerable persons from harm utilising a Safeguarding checklist to ensure essential Safeguarding control measures are in place for the event.

Children's activities are carried out under the supervision of qualified level 3 Forest School leaders and outdoor first aid trained staff. All staff and volunteers dealing with children will be DBS checked and trained in safeguarding. There are multiple family friendly areas in and around the children's area. The Festival's wellbeing team will be trained to deal with children.

Safeguarding and child protection will be taken very seriously, committed to creating an environment which is safe from abuse. Any suspicion of abuse will be promptly and appropriately dealt with. It is the responsibility of all crew and volunteers to ensure the safety of children whilst in their care. Our Safeguarding policy will focus on minimising the risk of abuse taking place through good planning and best practice, empowering those it works with to stay safe and speak out and taking appropriate action when any allegations arise. In order to achieve these objectives, the Promoter will:

- Raise awareness of individual responsibilities in identifying and reporting possible cases of abuse.
- Provide a systematic means of monitoring, recording, and reporting of concerns and cases.
- Provide guidance on recognising and dealing with suspected child abuse.
- Provide a framework for inter-agency communication and effective liaison.
- Ensure that any deficiencies or weaknesses in child protection arrangements are remedied without delay.
- Ensure that safe recruitment procedures are operated.
- Design and operate procedures which promote this policy and which, so far as possible, ensure that staff and others who are innocent are not prejudiced by false allegations.
- Contribute to the operation of appropriate health and safety procedures.
- Have regard to and be consistent with relevant statutory and regulatory requirements and guidance

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
