<b>Question 2</b>	<b>Cllr Ben Crystall to ask Cllr Jan Goodeve, the Executive Member for Planning and Growth</b>
<p>In May this year the Royal Borough of Kensington and Chelsea ruled that all Grade II listed and most Grade II* listed properties can install solar panels without seeking listed building consent. In an order applying the change, the council said solar panels "would appear as an honest and clearly modern intervention, and normally read as part of the equipment necessary to service the uses conducted within the building", similar to water tanks, television aerials and other equipment.</p> <p>Will East Herts Council introduce a similar change?</p>
