

## PUBLIC QUESTIONS

<b>Question 1</b>	<b>David Royle, on behalf of the Sustainable Sawbridgeworth Community Group, to ask Cllr Graham McAndrew, Executive Member for Environmental Sustainability</b>
<p>Is this Council aware of the Cornwall Development and Decision Wheel (CDDW) used by Cornwall Council for cabinet decisions since September 2019* and has it considered a similar approach for its own decision making, using the Doughnut Economics model pioneered by Kate Raworth, which aims to ensure that no one misses out on life's essentials (from food and housing to healthcare and political voice), while ensuring that, collectively, we do not overdo the pressure on Earth's life-supporting systems, such as a stable climate, fertile soils, and a protective ozone layer? If not, how does this Council propose to keep this balance?</p> <p>*<a href="https://www.local.gov.uk/case-studies/cornwall-council-doughnut-economics">https://www.local.gov.uk/case-studies/cornwall-council-doughnut-economics</a></p>
