

## UKSPF Environmental Sustainability Grants 2023/24

### Successful applications

Applicant	Project description	UKSPF outputs contributed to	Grant amount	Assessment tier and score***
Age Concern Ware	Renewal of the high level windows in the main hall and the kitchen in community building	Low carbon/net zero carbon infrastructure	£3,000	Tier 1, score 14
Anstey Village Hall	Replacement of old, ill-fitting, drafty fire doors	Low carbon/net zero carbon infrastructure	£3,000	Tier 1, score 14
St Andrews Parish Church, Hertford	Cycle racks at St Andrew Church, Hertford for public use	Greenhouse gas emissions reduction Increased cycling	£750	Tier 1, score 11
Sawbridgeworth Town Council	Energy reduction display signs and information	Greenhouse gas emissions reduction	£3,000	Tier 3, score 8
Little Berkhamsted Parish Council	Village Hall Insulation Project	Low carbon/net zero carbon infrastructure	£2,830	Tier 3, score 7
Hertford Town Council	Decarbonisation plan for the Seed Warehouse community building, Hertford	Decarbonisation plans	£2,000**	Tier 3, score 5
Hertford Town Council	Sustainability Event promotional equipment	Greenhouse gas emissions reduction	£450*	Tier 3, score 5
Hertford Town Council	Thermal Imaging Camera for community use	Greenhouse gas emissions reduction	£369	Tier 3, score 5

\* At moderation, Hertford Town Council agreed to provide £445 match funding, thus reducing their original application from £895.

\*\* The council's will be the total cost of the decarbonisation plan, net of Hertford Town Council's contribution of £1,000, capped at a maximum of £2,000.

\*\*\* No applications were assessed at falling into Tier 2.

## Unsuccessful applications

<b>Applicant</b>	<b>Project description</b>	<b>UKSPF outputs contributed to</b>	<b>Grant amount applied for</b>	<b>Assessment tier and score***</b>	<b>Reason unsuccessful</b>
Hertford Town Council	Energy Hub information	Greenhouse gas emissions reduction	£1,000	Tier 3, score 5	The material for which funding was sought will be provided as part of a wider, district-wide Energy Hub information programme funded through the UKSPF. Thus, Hertford Town Council agreed to withdraw this application
Hearts for Herts Charity	Solar and wind powered defibrillator	None	£3,000	Not assessed	Not eligible as does not meet any UKSPF outputs. Assessed for a community grant instead
